

DISCOVER MORE DAMAGE TO JAIL BY CAR THIEVES

McFarland and Bradley Members of Ring, Ernest Kluck Says

Repairs and renovations that may cost several thousands of dollars may have to be made to the county jail here, it has been discovered, following the escape from the jail of J. C. McFarland and C. M. Bradley a week ago with Ed. Pozorski.

Additional damage to the jail besides the sawing out of bars was discovered when Ernest Kluck, arrested at Fond du Lac last week on a charge of having smuggled two saws into the jail, laid bare the entire story of the escape to county officers.

Get Two Years

Kluck and Pozorski on Monday were brought before Judge Byron B. Park in circuit court and pleaded guilty to charges of assisting in a jail delivery. Upon their promises to reveal to the district attorney the entire story of the escape and whatever information they had gathered from McFarland and Bradley, Judge Park gave sentences of two years each in the reformatory at Green Bay, with the admonition that if they did not tell all he would re-sentence them, and give them the maximum allowed by law, four years.

McFarland and Bradley, both of whom are now serving three-year sentences in Green Bay on a charge of the larceny of a sedan from a local rental company, were members of a ring of auto thieves composed of nine men working out of Chicago, according to Kluck, who told District Attorney Carpenter the two had related to him that much of their operations.

Break Through Floor

Kluck's story revealed the fact that considerable other damage to the jail had been done by the men besides the sawing out of bars in their cage, and in the cement floor in their cell by the pair, when they were put in the cage after they had attempted to saw out of the jail on May 30. McFarland and Bradley had hoped to break through the cement floor and crawl through to the basement, and then escape. Using a steel bar which they broke off from one of their bunks, the men chiseled out pieces of the cement near the lavatory in their cell. Molasses supplied them with panicles at breakfast was used by McFarland and Bradley in sticking the broken pieces of cement back into place so that the jailers would not notice anything wrong.

They had gone down about an inch in the cement before they changed their plans and sawed their way out. Underneath this layer, the concrete is soft and easily broken. Kluck confessed that he brought two hacks saws into the jail an hour after he had been released and a case of petty larceny against him had been dismissed on motion of the district attorney. McFarland and Bradley, had they gone through the cement floor, would have been disappointed in their labors, for directly beneath their cell was another, barred and locked, into which they would have crawled. They thought they would be in a basement, and near a window.

Planned to Go to Mexico

Kluck told the authorities that McFarland and Bradley promised to take him with them to Mexico after their escape. They were to have gone first to Beloit, from where they would have notified their companions in Chicago, and then would have left for El Paso, Tex., and thence to Mexico, he said.

Temporary repairs have been made in that portion of the jail in which the two auto thieves were placed, and additional precautions have been taken to prevent a recurrence of a jail delivery. There is considerable room for prisoners in portions of the jail now unused.

Jail Not Strong

The local jail, it is stated, is not as strong as it might be and recommendations to be made to the county board of supervisors at their meeting in the fall that an appropriation be made to take care of needed renovations.

MARINE WORKERS STRIKE IN PROSPECT ON LAKE

Buffalo, N. Y., June 27.—A call for a general strike of marine firemen, oilers, water tenders and coal passers on the Great Lakes has been issued. General Secretary Thomas Conway, announced here today. The voting will start tomorrow and continue for two weeks, to allow all the men along the lakes to vote when they reach port. The sailors' union is also expected to take a strike vote within a week.

Big Celebration In Stevens Point Planned For 4th

A Fourth of July celebration such as Stevens Point and Portage county have never before seen will be staged under the auspices of Romulus Carl Berens post No. 6, of the American Legion here next Tuesday.

A mammoth parade will go through the principal streets of the city, starting at 10 o'clock in the morning, and the program of events announced by the various Legion committees shows something doing every minute of the day.

The fair grounds will be the center of the attractions, with motorcycle and harness races, sporting events of all kinds, dancing, fireworks and other amusements.

The feature of the day will be the airplane stunts of "Daredevil" Cruikshank, acrobat and parachute jumper, with his flying partner H. E. Richards at the fair grounds in the afternoon. This act was a sensation at the Wisconsin state fair last year. Another big feature of the day will be the sham battle to be staged by the local national guardsmen in the evening.

SALE OF OIL STOCK STOPPED BY HEARING

Milwaukee Concern Promises to Suspend Activities Pending Investigation

Madison, Wis., June 27.—No transactions in stock company financing or sale of oil stock will be made by the William Seyler company, Milwaukee, until the investigation by the Wisconsin railroad commission is finished, the Seyler company promised today.

Five thousand Wisconsin people, holding two million \$1 shares of the El Bikan and M. T. C. Oil companies must wait until after the probe is completed before knowing the value of their stock.

An audit of the companies' affairs, made by the railroad commission on the request of the State Bankers' association, alleged that the stock was worth only about half par value. The validity of the audit was fought by Mr. Seyler, his attorneys and a score of heavy stockholders, who are attending the meeting. Continuation of the meeting was postponed today, because of the funeral of one of Mr. Seyler's relatives.

COLLINS STRIKES AT IRISH REBEL FORCES

Arrest of Michael Henderson, Leader of Opposition, Is Considered Significant

Dublin, June 27.—Free state forces struck at the insurrection in the heart of Dublin today.

Michael Collins, head of the provisional government, ordered his troops to arrest Michael Henderson, one of the leaders of the band of rebels which recently seized and held the four courts buildings and hotel. The arrest was effected.

This move by Collins was considered extremely significant. It constituted a direct challenge to Rory O'Connor, rebel general, who has been defying both the free state and Great Britain to get him out of Dublin. The arrest of Henderson moreover showed the free state government intends to lose no time complying with Churchill's ultimatum delivered in rommons yesterday to restore order.

RUSSIANS WIN POINT DESPITE THE FRENCH

Credits For Soviet Nation to be First on Calendar of Hague

The Hague, Netherlands, June 27.—Russia today won the opening clash of The Hague conference. Over the French protest, the Soviet delegation carried its point, that credit for Russia must be the first thing discussed at the parley. The sub-commission on credits was to meet with the Bolshevik delegation at four o'clock this afternoon. The French showed great resentment at the first preliminary meeting of the delegation today at what they termed the Russians' dictatorial attitude. They declared they would not discuss credits until Litvinoff, head of the Soviet delegation, declared his readiness to agree to the allied demands regarding debts and private property.

TO PUT WATER DEAL THROUGH BEFORE JULY 1

Grays To Arrive In City This Week To Complete The Sale

The formalities attending the purchase of the plant of the Stevens Point Water company by the city of Stevens Point will probably be concluded this week, according to City Attorney W. E. Atwell.

The Grays, owners of the water plant here, are expected in the city this week. Mr. Atwell stated to the Journal, and unless some unforeseen hitch in the plans comes up, the deal will have been concluded and the city will have become the owner of the water utility here before July 1.

A call for a special meeting of the common council to be held at the council rooms on Thursday evening, was issued by Mayor John N. Welsby Tuesday, and one of the matters to be taken up at the meeting as listed in the call is the presentation of a resolution to extend the city's option on the water plant to September 1.

This is but a formality that will insure the city against any slip-up in the negotiations. City Attorney Atwell explained Tuesday. The option which the city holds on the plant at the present time will expire July 1, and this option is to be extended to September 1, it is stated, so that if the deal is not concluded this week it can be done between July 1 and September 1. There is little doubt that the purchase will have been made in its entirety before July 1, or a short time after, it is declared.

Another matter listed for the council to consider at its meeting is the report of the council committee on saloon licenses.

HARDING TAKES HAND IN COAL CONTROVERSY

President Believed to Have New Plan For Ending Mine Walkout

Washington, June 27.—With the coal reserves of the nation rapidly dwindling to the point where the pinch of a fuel shortage will soon be felt, the mine strike situation was placed before President Harding's cabinet today. The president, it was learned, has a new plan for ending the walkout now effective for nearly three months, and final details regarding it were expected to be worked out at the cabinet meeting. It is believed the president plans to wield the force of public opinion against the miners and operators and attempt to force them to meet in a conference for settlement of the dispute.

Plan Conference

Washington, June 27.—Strong international government, ordered his troops to arrest Michael Henderson, one of the leaders of the band of rebels which recently seized and held the four courts buildings and hotel. The arrest was effected.

Crisis In Germany Following Murder Of Royalists' Foe

Berlin, June 27.—Germany was faced today with the critical aftermath of the murder of Walter Rathenau. A great general strike was declared in Berlin on the occasion of the late foreign minister's funeral. Plants throughout the country stopped their wheels for two minutes at noon, in honor of Rathenau's memory. Communists and Socialists held great meetings in the larger cities, closely watched by police and troops, who were called out in full force to prevent possible disorder.

It was learned that further and more serious demonstrations are planned for tomorrow, both by the Communists and Royalists, on the occasion of the anniversary of the signing of the Versailles treaty. Royalists' plotting, carried on throughout Germany since the revolution, has been carried on openly recently. The assassination of Rathenau puts an end to this, temporarily, at least. Former Kaiser Wilhelm has been kept constantly informed of these Monarchist activities. It is not the intention of the Pan-Germans to restore the Kaiser to the throne, however.

GOING BYE-BYE, TO SEE THE FOLKS

Entry of McHenry Feared By Faction Supporting Blaine

Madison, Wis., June 27.—Consternation was spread in the two Republican camps of the state here today, by the announcement that Mayor A. C. McHenry of Oshkosh, would run for the Republican nomination for governor of the state, against John J. Blaine and Attorney General Morgan. McHenry is conceded much strength in the Fox river valley and other parts of the state, and the various factions, especially LaFollette, are fearing his entry into the campaign on a "wet" platform, may split the vote in the same manner that the McHenry candidacy did in the United States senatorial campaign two years ago. McHenry's vote was then declared to have been taken from Johnson, Progressive candidate to such an extent that Lenroot, conservative, got the nomination.

McHenry's platform announced today advocates, "legalization of the manufacture and sale of wine and beer under strict government supervision for private consumption, without the saloon in any form."

"The Volstead act, should be modified in the interest of temperance, economy in law enforcement, respect for our constitutional government and the general and social welfare of the nation," McHenry said.

ACCIDENT VICTIM UNIMPROVED TODAY

Girl Driver of Car, Patient at Local Hospital, Is Still Unconscious

(From Tuesday's Daily)

No marked improvement was reported today in the condition of Miss Helen Lamkins, 17-year-old Ogdensburg girl, who was the driver of a car which plunged down a 40 foot embankment from the Tobie bridge on state road No. 14 at Amherst Junction Sunday night.

Miss Lamkins suffered a fractured skull, jaw broken and arm and has been unconscious since the time of the accident. Her condition is still regarded as very serious and her parents have been at her bedside at St. Michael's hospital, where she is a patient.

Miss Joyce Lamkins her sister, who suffered a dislocated shoulder and broken arm, is doing well, it was reported. It will be necessary for her to remain at the hospital for a number of days before she can be removed to her home.

Rayford E. Dearth and Vernan Doman young men companions who were in the car with the girls when it took the plunge down the embankment, were uninjured except for minor bruises and scratches.

LIQUOR AMENDMENT NOT "SLIPPED OVER" SAYS BISHOP WELLS

Speaker At Rotary Luncheon Declares Volstead Act Was Passed As Result of Long Agitation

A frank discussion of the 18th amendment and which went into all phases of the prohibition question, was given by Bishop R. H. Wells of Fond du Lac at the Monday noon luncheon of the local Rotary club.

Bishop Wells opened his talk with a reference to the causes which lead up to the adoption of the prohibition amendment to the constitution by the various states. He vigorously denied the charge that the Volstead law was something "slipped over" on the country hysterically as a result of war excitement. He traced temperance work of the past 50 years, which, he said, created the sentiment against the abuses of the liquor traffic and the failure of the liquor crowd to clean house which finally led up to the passage of the law which put this crowd out of business.

Bishop Wells declared that during his life he had never been what might be called a fanatic, and that he did not condemn a moderate use of liquor, as it was only the abuse of drink which caused trouble. He emphatically stated that since the adoption of the 18th amendment the fight had been completely won, because of the good results obtained under the amendment, even though it was not enforced the way it should be. He said that the amendment of the law rested with the people, and with the co-operation of the press, the stage and the general public the great majority of the people could all be made to observe the law, instead of making it a matter of a joke and jest.

Bolshevism and anarchy is not confined to Russia and Europe, and the people in America are living upon a volcano in that respect, was the opinion voiced by the speaker. A growing disrespect for the prohibition law would eventually lead to a disregard for all law, was his opinion, and it remains for the citizens of the country to see that law is observed, not only as regards the liquor law, but other rules and orders of the land as well. The enforcement of law in America, he declared, rested only in the regard and respect which American people held for it.

CAPPER-TINCHER BILL PASSED

Washington, D. C., June 27.—The house today passed and sent to the senate the Capper-Tincher bill, providing for strict government regulation of the Chicago board of trade and other big grain exchanges which deal in grain futures.

Senator McCumber Facing Hard Fight In Dakota Primary

Fargo, N. Dak., June 27.—Most of the odds are against Senator Porter J. McCumber in tomorrow's Republican primary. Even some of his friends who are pretty well informed believe McCumber is beaten. Yet his staunchest supporters cannot convince themselves of the possibility of defeat after years in Washington.

The Non-partisans are predicting a landslide for former Governor L. J. Frazer. They consider a majority of 20,000 would be a landslide. That is their minimum estimate of Frazer's plurality.

In the gubernatorial contest the Independents are predicting the renomination of Governor R. A. Nestos by from 5,000 to 15,000. The Non-partisans believe B. F. Baker of Glenburn will win the nomination by 10,000 or better.

Senator McCumber is troubled with factional strife, a third man in the race, a contest in the Democratic primaries which is robbing the I. V. A. of a lot of normal Democratic supporters, his failure to receive the I. V. A. convention endorsement at Jamestown and the fact that he is the only man campaigning for office in the state who has been unable to get on the job in person.

"We are not trying to predict any majority, but are confident of success," said his manager, R. Hughes, today.

MRS. HANKEY EXPIRES

Native of County and Woman Well Known Here Dies in North Dakota. The death at Grafton, North Dakota, on Monday of Mrs. Kate Hankey, a native of Portage county and second daughter of the late Mr. and Mrs. John Dorsha of Buena Vista, will be learned with regret by the hundreds of people who remember her. Mrs. Hankey's passing away was the result of a third stroke of paralysis, the first one affecting her a month ago. Prior to that time she was in good health and less than a year ago made an auto trip to her old home, accompanied by Mr. Hankey and their daughter.

A sister and brother, Mrs. John W. Burns of Almond and Jacob Dorsha of Buena Vista left for Grafton today and were joined enroute by another sister, Mrs. Martin Gilman of Marathon City. The funeral will be held Thursday or Friday, with burial at Grafton.

Kate Dorsha was born on the Buena Vista farm 53 years ago and grew to young womanhood there. Some 20 years ago she was married at Ashland to Mr. Hankey and a short time later they located on a homestead near Grafton. They are the parents of three children. Mrs. Alfred Johnson of Los Angeles, Cal., Carl and Leonard Hankey, at home. Peter Dorsha of this city is a brother of the deceased.

ACT OF BANDITS BRINGS PROTEST FROM THE U. S.

Secretary Hughes Demands Obregon Government Effect Release

Washington, June 27.—Forty Americans are being held for ransom by Mexican bandits near Tampico, according to advices to the state department today.

Secretary Hughes, in a dispatch, made a demand upon the Mexican government that it act at once to suppress the bandits, release the American prisoners and restore the property of the Cortez Oil company, seized by the outlaws.

Word of the capture of the Agave camp, with its 40 American workers, was sent by Counsel Shaw to Tampico and was dated June 26, indicating the capture took place on Sunday. Officials believe Shaw's message was held up by the Mexican censor. The 48 hours expires today, it was indicated.

Release Demanded

Immediately after receiving news of the second capture of Americans within four days, Hughes dispatched identical notes to George Sumnerin, American charge at Mexico City, and Shaw, directing them to make demands on the Mexican government for the instant release of Americans and "punishment of the perpetrators of the outrages."

This government is aroused by the two incidents, it was made plain at the state department, and will insist that the Mexican government take all necessary steps to punish the bandits and guarantee Americans against further raids. The capture will be discussed at today's cabinet meeting, it was declared.

Conservatism Imposed. Both the navy and war departments are watching the situation, it became known. They are keeping in touch with the incidents through the state department. Fully a week ago the war department learned that a rigid censorship has been made effective by the Mexican government. The delay in Shaw's message is indicative that the censorship is still effective. Why the censorship was declared, the war department officials said, they were not apprised.

The wholesale kidnapping undoubtedly will have an effect upon American recognition of the Obregon government, negotiations toward which recently have been progressing slowly but satisfactorily.

Ransom for Bielaski. Washington, June 27.—Mrs. Ruth B. Shipley today notified the state department that \$5,000 ransom money was on the way to Mexico for the release of her brother, A. Bruce Bielaski, captured by Mexican bandits.

Bielaski Is Safe. Mexico City, June 27.—A. Bruce Bielaski, American held for ransom by bandits, is safe and will be released as soon as the sum demanded, 10,000 pesos, is paid over, according to a Mexican captured with the oil man and later set free. The Mexican arrived here late yesterday with information that Bielaski had not been ill treated.

Mexicans Hold Property. Philadelphia, June 27.—Advices received here today stated the Mexican bandits invaded an outlying area, under operation by the Cortez Oil company of this city, and are now occupying the ground. No damage or casualties were reported. The area contains several thousand acres under development by the Cortez company. The work there has been confined to prospecting for well sites. Much valuable drilling machinery and equipment is on the ground, which could be destroyed, it was stated.

FEAR FOR SAFETY OF WOUNDED MINERS

Non-Union Men in Hospital Following Mine War May Be Placed Under Guard

Herrin, Ill., June 27.—Guards may be thrown about the hospital here while 12 survivors of the recent massacre are recovering from injuries. Reports that the wounded men are in danger of their lives have been received by authorities. It was learned that an attempt was made Saturday to take one of the men from the hospital. This was prevented by attendants. Investigators believe that members of the mob were afraid that several of the wounded men "knew too much."

Herrin business men declared it would be a good plan for the state to send a small detachment of soldiers to Herrin to escort the wounded men out of the danger zone as soon as they are able to be moved.

\$.75. In the city of Stevens Point
and outside Portage county, \$2.50 a
year; six months, \$1.50; three months,
\$.75. All subscriptions payable in ad-
vance and to be stopped at expiration
if term for which subscription is paid.

Watch the Noxious Weeds

"Abundance of rain in many sec-
tions of Wisconsin, accompanied or
followed by high temperatures, is re-
sulting in the very rapid growth of all
vegetation, especially weeds," said A.
L. Stone, seed and weed control di-
vision of the state department of agri-
culture. "This hastens the time when
the noxious weeds like quack grass,
Canada thistles, and others named in
the noxious weed law, will reach the
stage at which they should be cut to
prevent them from ripening seed. In a
certain county, the farmers stated
they could remember a time when
Canada thistles were only one-tenth as
numerous as they now are. If in 30
years, the area infested with Canada
thistle has increased to ten times
its former size, what may we expect
in the future unless strenuous efforts
are made to keep the weeds from
spreading? Great responsibility for
the future of prosperous agriculture
rests upon the town, city and village
officers and the weed commissioners
appointed by them. From a large
number of letters received, it is grati-
fying to note that many such officials
and a large majority of Wisconsin farm-
ers realize the menace to the com-
munity in which they live and are
fighting to get noxious weeds under
control and eventually to eradicate
them."

Every interested official farmer owes
it to himself and to the prosperity
of his children and of the state in fu-
ture years to exert all his influence
to create a community spirit which
will insist that noxious weeds shall be
kept from spreading.

Hard Times in Germany

One of the hardest things to bear,
when America and the allies were in
the throes of business depression, was
the spectacle of a boom in Germany.
Everybody was working there, and
times seemed good. Wages were ris-
ing. Business was expanding. Ger-
many seemed to be fighting success-
fully to regain her forfeited foreign
markets. The huge inflation of Ger-
man currency and prices seemed to
work to her advantage.

That is ended. German industrial
conditions are now reported as very
bad. Business has slowed down, and
new doses of paper money do not
accomplish the old effect. Contracts
cannot be met. Manufacturing costs
increase, and are destined to increase
still more rapidly if the currency in-
flation stops. Either way, Germany
loses.

It is the natural penalty of manu-
facturing money in unlimited quanti-
ties. England, which refused to in-
dulge in any such inflation and set
to work sternly to meet war expenses
by heavy taxation and regain lost busi-
ness by hard, honest work, is stead-
ily gaining in financial soundness, ex-
port trade and prosperity. The United
States, which pursued the same
sensible policy, is now near the end
of her deflation period, when Ger-
many is just entering upon one that
will doubtless be longer and harder
than ours.

COUNTY BOARD'S CAN'T

LEND MONEY TO AID

STRICKEN DISTRICTS

Madison, Wis., June 27.—County
boards cannot issue bonds or borrow
money in the name of the county to
lend aid to the destitute farmers of
tornado-stricken northwestern Wis-
consin. Assistant Attorney General
Franklin Bump said in opinion to Dis-
trict Attorney C. B. W. Nyckman
Clayton, Wis., today.

The power of issuing bonds to meet
emergencies of great public calamities
such as the tornado is not included in
the statutes defining the powers of the
supervisors, the opinion said.

POSTOFFICE EMPLOYEES

ELECT AT CONVENTION

Officers of the Wisconsin Superi-
ory Postoffice Employees association in
convention at Wausau Friday and
Saturday were elected as follows:
President, W. E. Oberly, Milwaukee;
vice presidents, T. W. Watson, Fond
du Lac and Miss Helen Knappstein,
New London; secretary, Miss Louise
Schroeder, Clintonville; treasurer,
Herbert P. Wildermuth, Sheboygan
Falls. No one from the Stevens Point
postoffice attended the convention.

Friendliness

A friend is one who gives you a
little sympathy and not so damned
much advice.—Blairmore Sm.

IMMEL COMPANY LOWEST BIDDER GETS THE JOB

Total Cost of Building Within
\$150,000 Appropriation
Available

The Immel Construction company
of Fond du Lac, builder of Hotel
Whiting here, was on Friday night
awarded the general contract for the
first unit of the new Stevens Point
high school at a cost of \$124,483.
Excavation work will be started this
week and promise has been made
that the building will be completed
by February 1.

Contracts Awarded

The joint building committee award-
ed contracts as follows:

General contract—Immel Construc-
tion company, Fond du Lac, \$124,483.

Heating—J. B. Sullivan & Company,
Stevens Point, \$14,616.

Plumbing—Finch Bros., Stevens
Point, \$7,812.

Electrical work—Herman Andre
Electric company, Milwaukee, \$2,455.

The cost of the general construc-
tion work can be reduced from
\$124,483 to \$119,006, if deductions
specified by the Immel company in
its bid are accepted. This figure, to-
gether with the cost of the heating
when deductions are also taken, and
the cost of the electrical and plum-
bing work according to contract, makes
the grand total cost of the unit \$144,-
849. If the deductions are not ac-
cepted, the figure will be several
thousand dollars higher.

Local Firm Bidder

The Otich-Shropshire company of
this city was the only local concern
bidding on the general contract, and
submitted a figure of \$132,475, or \$7,-
990 higher than the Immel bid. The
local company specified deductions
which brought its bid down to \$129,-
278, or approximately \$10,000 higher
than the Immel price with deductions.
The building committee gave special
attention to the Otich-Shropshire
bid despite the fact that it was not
low, indicating its desire to favor
home contractors if possible. The
deductions were carefully tabulated
and then compared with the Immel
totals. When it was seen that the
Immel bid was unquestionably low,
the contract was awarded to that
firm.

The Fluor Bros. Construction com-
pany of Oshkosh, submitted the sec-
ond lowest general bid, its figure being
\$127,500. The fourth bidder was the
firm of Peter Nelson & Son of La
Crosse, which submitted a figure of
\$162,480.

Heating Job to Sullivan

Bids on heating were submitted as
follows:

Finch Bros., Stevens Point, \$16,-
180.

Full Plumbing & Heating company,
Racine, \$16,280.

J. B. Sullivan & company, Stevens
Point, \$15,246.

Industrial Heating & Engineering
company, Milwaukee, \$14,720.

Kissell Bros., Hartford, \$16,576.

While the general figure submitted
by the Industrial Heating & Engi-
neering company was found to be the
lowest, the Sullivan bid was actually
low when deductions specified by the
local firm were made. The Milwau-
kee firm offered no deductions. The
Sullivan company bid provided for a
deduction of \$140 if a National Heat
regulation system is used in preference
to a Johnson service, and a deduc-
tion of \$100 if Herbert boilers are
used in place of Kewanee boilers.
These deductions submitted from the
Sullivan total made the figure \$14,-
616, or \$104 less than the Industrial
company and the contract was there-
fore awarded to the Stevens Point
concern.

Finch Gets Plumbing

The following bids were submitted
on plumbing:

J. B. Sullivan & company, \$8,520.

Kissell Bros., Hartford, \$8,120.

Finch Bros., \$7,812.

The Sullivan company also proposed
to erect steel partitions for \$987 and
the Finch company toilet partitions
for \$820. The Finch bid of \$7,812, be-
ing the lowest, was accepted.

Electrical Bids

The following electrical bids were
opened:

Uhlhorn Orthmann company, Milwau-
kee, \$2,500.

Bell Electric Shop, city, \$2,000.

Norman Electric company, Eau
Claire, \$2,685.

Herman Andre Electric company,
Milwaukee, \$2,455.

The Andre company bid, being the
lowest, was accepted.

Many other miscellaneous bids were
received but all were rejected as all
material needed for the building and
all the work to be done is included
under the general plumbing, heating
and wiring contracts. Miscellaneous
bids received were as follows:

Miscellaneous Bids

Terrazzo-Stark Mantel & Tile com-
pany, Milwaukee, \$5,392. I. F. Dornier

company, \$4,510; Terrazzo and marble
American Marble Mosaic company,
Milwaukee, \$6,300.

Cut stone—Furnst-Kerber Cut Stone
company, Bedford, Ind., \$5,200.

Ten room partitions—John A.
Hanson, Milwaukee, \$800.

Painting—Ernest Schwoch, Milwau-
kee, \$3,100.

Sheet Metal—Otto F. Jaske Sheet
Metal Works, Milwaukee, \$1,175.

Steel—Warden-Allen company, Mil-
waukee, \$7,900.

Plain and ornamental plastering—
Milwaukee Ornamental Plastering com-
pany, Milwaukee, \$15,040.

When it was found that the Immel
bid for the general contract was low,
John Immel, who was in the city Fri-
day, was called in and questioned re-
garding terms of the contract and
when he would be able to begin work.

The committee considered two ways of
awarding the job to his firm, by
straight contract or cost plus 10 per
cent not to exceed the figure of his
bid. The straight contract was de-
cided upon. Mr. Immel declared that
he could begin excavation work by the
middle of this week and that by the
time this part of the work had been
completed material would be on hand
to go forward with the construction.
February 1 was decided upon as the
date when the building should be
completed.

The deductions and additions in-
cluded in the Immel bid are listed as
follows:

Plastering and finishing locker
rooms and showers in basement omit-
ted, deduct \$2,450.

Metal partitions and doors omitted,
deduct \$1,400.

Metal toilet doors only omitted, ded-
uct \$667.

If marble partitions are used in
boys and girls showers add \$812.

If marble toilet room partitions for
fronts are used add \$1,450.

If wood doors are used for toilet
partitions add \$285.

The committee voted to pay Robert
A. Messner, the architect, five per
cent of the cost of the building for his
services. The committee will engage
its own superintendent of construc-
tion. It chose to do this in preference
to paying the architect six per cent
and having a superintendent furnished
by the architect.

Local labor is to be used largely
upon the job. Mr. Immel promised
when questioned as to this point by
the committee, which asked that this
be done.

ASSESS \$50 DAMAGES FOR LAND FLOODING

But Sum Would Be Greater If Dam at
Biron Is Raised, Commis-

sion Decides

The commission appointed by Judge
B. B. Park of this city to appraise
the damage resulting to the W. B.
Rochelleau and O. J. Rochelleau farms
near the Wisconsin river at Biron,
found, after personal investigation,
that except in one instance the past
damages have been offset by drain-
age. An award of \$50 to W. B. Roch-
elleau for damage done to the barn on
his premises was recommended.

While investigating the past dam-
ages, the commission also estimated
the damage that would occur if the
Consolidated dam at Biron is raised
to sufficient height to maintain a 21
foot waterhead as is now contem-
plated by the paper company. Accord-
ing to the figures as estimated by the
commission, the present value of the
W. B. Rochelleau property is \$15,400,
which would be reduced to \$12,900 if
the dam is raised, which would result
in a \$2,500 award for damages. This
would be 1 addition to the \$50 dam-
ages to the barn.

O. J. Rochelleau would be awarded
somewhat higher damages as it was
found that the estimated damage to
his property would be \$4,600. Past
damages on his property were found
to be offset by drainage.

The commission is composed of O.
J. Len, A. B. Sutor and S. L. Renne,
all of Wisconsin Rapids.

INSPECTOR CHARGED WITH FALSE GRADING

Frank Skibba Pleads Not Guilty.

Claims He Performed Duty As

Well as Was Expected

Frank Skibba, Junction City, was
arraigned and pleaded not guilty in
Justice G. L. Park's court here to a
charge of placing a certificate on a
car of potatoes which were not all
No. 1 grade. Skibba was an inspec-
tor at Junction City last winter.

He was released on his own recog-
nizance and his trial set for July 14
in the same court. Action was brought
against him by the state department
of markets, R. E. Ades, a chief inspec-
tor, being the complainant.

It is claimed by the state that a
car of potatoes which he inspected
and marked No. 1 grade contained 26
sacks of culls. Skibba contends that
he inspected as many of the potatoes
sacked in the car as he was expected
to, and that those he inspected were
up to grade. It is claimed by him
that it is impossible to inspect every
sack of potatoes in a car load.

Say it with printer's ink.

MORNING SUNSHINE IGNITES FIREWORKS IN DISPLAY WINDOW

Premature Fourth of July Demonstra-

tion at Gunderson Store Breaks

Big Window and Damages

Contents

The morning sun, shining brightly
through the plate glass window in
Gunderson's Variety store at 1017
South Division street, ignited fire-
works on display there and caused a
premature and unexpected Fourth of
July demonstration at 8 a. m. Friday.

The first piece of fireworks to be-
come ignited quickly set fire to other
pieces in the window, causing a series
of miniature explosions in quick suc-
cession. The large plate glass win-
dow was cracked and broken at the
bottom, while glass in the rear of
the display window was also shat-
tered.

The fire was confined to the show
window which is entirely enclosed. An
extinguisher rushed to the Gunderson
store by George F. Hetzer from his
place of business a few doors away
did effective work and when firemen
from both companies of the local de-
partment arrived a few minutes later
they put out the last of the blaze with
pails of water carried from the South
Side fountain.

Only a small quantity of fireworks
was on display in the window, being
small articles sold to children. They
occupied a place on a paper platform
at the bottom of the window, which
also contained articles of glassware,
toys and stationery. The smoke caused
by the burnt powder quickly filled
the window and flames scorched its in-
terior from top to bottom. The heav-
iest damage was caused by the break-
ing of the window, Mr. Gunderson
placing no great value on the contents.
The building is owned by W. E. Kings-
bury.

When the first piece of fireworks
went off with a pop Mr. Gunderson
heard it but paid little attention, mis-
taking the noise for the explosion of
an automobile outside in the street.
He was waiting upon several custom-
ers at the time. A few seconds later,
when other pieces of fireworks ignited,
it was quickly discovered that the
noise was coming from the show win-
dow and a fire alarm was sent in.

TRAFFIC IS HEAVY ON STATE ROUTES

Tally Kept at One Local Corner Shows

Total of 2,815 Vehicles

In a Day

A total of 2,815 motor vehicles, mo-
torcycles and horse drawn vehicles
passed the corner of Church and Clark
streets between the hours of 6 a. m.
and 11 p. m. on Wednesday, according
to a tally kept by Dell King for the
Wisconsin Highway commission.

Three state highways, Nos. 10, 66 and
18, pass that corner. On the three
highways, the total number of Wis-
consin automobiles which passed the
corner was 2,018. The number of for-
eign cars was 35, the number of light
motor trucks 158, the number of heavy
trucks 62, the number of motorcycles
47, and the number of horse drawn
vehicles 200.

Highways 10 and 66 had the great-
est amount of travel, the tally shows,
but highway 18 had the largest num-
ber of foreign cars. Wisconsin cars
passing on 10 and 66 numbered 1,316,
the number of foreign cars 16, light
trucks 35, heavy trucks 38, motor-
cycle 35, and horse drawn vehicles
128. On highway 18 the number of
Wisconsin cars was 297, foreign cars
19, three more than on the other two
highways, light trucks, 63, heavy
trucks 21, motorcycles 11, and horse
drawn vehicles 74.

A comparison of the number of
horse drawn vehicles which passed the
corner with the number of motor ve-
hicles driven shows that the horse is
fast losing out in competition with
the gas propelled buggy.

KLUCK PLEADS GUILTY

Unable to Furnish Bail, Young Man

Charged With Jail Delivery

Help Is in Jail

Ernest Kluck, local young man
brought to Stevens Point from Fond
du Lac Friday by Sheriff John A.
Berry on a charge of assisting in the
escape from the county jail of three
men early Sunday morning, plead-
ed guilty when arraigned before Judge
W. L. Owen in county court late Fri-
day.

He waived preliminary examination
and was bound over to circuit court
for sentence. Kluck was charged
with assisting in a jail delivery. He
was in the county jail today, having
been placed there when he was unable
to furnish bail of \$500.

Kluck is stated, was to have been
brought to Stevens Point by Sheriff
W. Berry for assisting in their es-
cape. They succeeded in evading an-
ticipated here. He was to have met
them at Beloit, Wis., after their es-
cape to secure the money. McFar-
land and Bradley are now in the Green
Bay reformatory, serving three-year
sentences.

Rapids Young Man Member Of Battery Drowned In River

Forrest Millenbach, son of Mr. and
Mrs. Henry Millenbach of Wisconsin
Rapids, lost his life by drowning in
the Wisconsin river at Wisconsin Ra-
pids late Friday afternoon. The young
man, who is a member of Battery E
of that city, had taken several horses
to the river bank for a bath, when he
fell in. His brother, Chauncey, was
drowned in the Wisconsin river in
1915 while canoeing in front of the
Mrs. Tom Nash home at the Rapids.

STAGE TO MADISON TO START JULY 15 ONE TRIP EACH DAY

City Bus Service May Be Discontinued

Unless Patronage By Local

People Increases, Is

Announcement

A regular daily bus service between
Stevens Point and Madison will be
started between the 12th and 15th of
July by the Interurban Rapid Trans-
it company of this city, the concern
which now operates the bus line be-
tween Stevens Point and Wisconsin
Rapids and Mosinee.

The bus will follow highway 10 and
will serve, besides travelers between
Stevens Point and Madison, the small-
er towns on the route. A new Pack-
ard twin-six limousine will be used
on this route. The limousine will seat
14 passengers and will contain all
conveniences of motor bus travel.

The car will leave Stevens Point at
7 o'clock in the morning and will
arrive in Madison at 11:30. It will
leave at 12:45 in the afternoon for
Stevens Point on the return trip, arriv-
ing here in time for passengers to
make connections with Soo train No. 5
for the north.

Inquiry along the proposed route
has been made by J. L. Ripton, man-
ager of the Interurban Rapid Transit
company, and he has found that there
is considerable demand in the various
places along Highway 10 and in Por-
tage and Madison for the service. Con-
nections will be made at Madison with
buses running from Madison to Fond
du Lac and Milwaukee. The service
between this city and Wisconsin Ra-
pids and Mosinee will be continued
as usual.

Announcement was made today by
Mr. Ripton, who is also manager of
the Stevens Point Transportation com-
pany, that unless Stevens Point peo-
ple patronize the city busses more
than they have that it may be neces-
sary to discontinue this service dur-
ing the summer months.

Mr. Ripton states that the company
seriously considered discontinuing
the service, but decided to keep a bus
on the streets during a trial period
to determine whether patronage would
not increase and make the service pay.
If people of the city will patronize
the busses sufficiently to allow the
company to meet expenses it will
continue the usual schedule for the
remainder of the summer. Otherwise
it will be necessary to stop the busses
until September 15.

WAUSAU MAN MAY DIE HIS CAR TURNS TURTLE

J. A. Rowley on His Way to Masonic

Doings at Shawano When

Accident Occurs

J. A. Rowley, Wausau, may die as
the result of injuries received near Til-
leda, on the Wausau-Shawano road,
when his Buick car lost a front wheel
and turned turtle. Rowley and his
companion, F. C. Boyce, were on their
way to Shawano to attend the dedica-
tion of the new Masonic temple there.

Mr. Rowley received a crushing
fracture of the first lumbar vertebrae.
The lower part of his body is paralyzed.
Boyce received severe cuts on his
right hand.

Mr. Boyce stated that he was driv-
ing the automobile at a moderate
rate of speed on a good gravelled road
when it struck a loosely packed stretch
of road which caused the automobile
to slide a little and which undoubtedly
caused the left front wheel to break.

FINDS MAMMOTH PIKE ON SHORES OF LAKE

A mammoth pike, according to ac-
tual measurement 44 inches in length
and weighing exactly 17 1/2 pounds was
found on the shores of Lake Julia
near Rhineland by Mr. and Mrs.
Grover Danfield and their guest, Miss
Leona Allds of Greenwood. The fish
had been dead about two days and
was in no condition for mounting. It
was a genuine wall-eyed pike. It
had apparently died from old age.
Various estimates placed its age from
40 to 50 years.

NIGHT CREW IS PUT ON TO FINISH ROAD WORK

An Appleton construction company
which is building six miles of concrete
road in Dodge county on trunk line
No. 15 has begun operating a night
crew in order to complete its work
by July 15. The firm has its own dy-
namo and generates its own electric-
ity by water power. Large lamps
provide the illumination.

HOTEL WHITING TO BE FINISHED BY SEPTEMBER 1

Big Plastering Job Awarded
To John Manion and Son
of Oshkosh

Rapid progress is being made on the
construction of Hotel Whiting here.
E. A. Oberweiser, president of the Stev-
ens Point Hotel company, reports.
A crew of fully 50 men is now at
work, a larger number than at any
time since building operations com-
menced.

Alfred Clas, Milwaukee, the archi-
tect, paid the hotel a visit on Friday
and was highly pleased with the pro-
gress being made. He declared that
the building would be completed without
question by September 1. Shortly
after that date it will be turned over
to the lessee, John M. Teeling, who
will remove here from Milwaukee.

Delays are Avoided

"The speed with which work is going
forward on the hotel building is at-
tributed by Mr. Oberweiser to the
splendid cooperation between the con-
tractor and sub-contractors. The
work has been arranged in such a
manner that the several branches do
not conflict, and so that no delays
have been necessary. Only by a well
formulated plan of operation could
this be possible on a building the

size of the hotel. It was explained.

Big Plastering Job

There is every indication that the
hotel will be opened to public pat-
ronage sometime during the month of
September as no unforeseen delays
are now expected. Practically all of
the exterior work has been complet-
ed and plastering is now being done
inside. The sub-contract for the
plastering, which is the largest single
job of its kind ever undertaken in
Stevens Point, has been let to John
Manion and Son of Oshkosh. The
work is being done by 1

Society

Married at St. Peter's

Rev. S. A. Elbert of St. Peter's church Wednesday at 8 o'clock solemnized the marriage of Miss Anna Zaborzky of this city to Peter Kosicki of Milwaukee.

Ben Zaborzky of this city, a brother of the bride, was the groomsmen and Miss Helen Gosorsky, a friend, was the bridesmaid.

Miss Zaborzky was dressed in a gown of white canton crepe trimmed with pink lace. She wore a silk embroidered veil, caught up with pearls, and carried a shower bouquet of white roses and sweet peas.

Miss Gosorsky was attired in pink tulle, a hat to match, and carried a shower of pink roses and carnations.

A reception was held at the home of the bride's parents, Mr. and Mrs. Michael Zaborzky, 500 North avenue, at which 20 immediate relatives and friends of the couple were invited.

Mr. and Mrs. Kosicki left on night train for Milwaukee, where they will make their home. Mr. Kosicki is employed in the shops of the Chicago, Milwaukee and St. Paul railroad in Milwaukee.

Wedding at Polonia

Max Popchinski of Mosinee and Max Rose Platta of the town of Shalun were married at Sacred Heart church, Polonia, Wednesday at 9 o'clock. Rev. L. J. Pescinski officiating.

Miss Delia Pliska and Edmund Wanda were the attendants. A pillow in which was enclosed the ring was carried by little Martha Petarski. Streamers of ribbon were fastened to the pillow and one end of each ribbon was supported by little boys, Eugene Platta and Edward Kluck. The party ended a pretty appearance as they marched up the center aisle of the church.

Relatives of the contracting parties and a few intimate friends were dinner guests at the home of the bride's parents, Mr. and Mrs. John Platta, near Elia, while many others attended a reception in the afternoon and evening.

Mr. and Mrs. Popchinski will go to housekeeping at Mosinee, where the groom is employed as bricklayer.

Wedding at Lake Emily

A marriage of interest in local circles took place Thursday forenoon at Lake Emily when Flora Belle Rogers of Stevens Point, became the bride of Eugene E. Spaid of Amherst. Rev. James Blake read the marriage service.

Miss Rogers is a daughter of Dr. and Mrs. E. M. Rogers of this city, and the marriage was witnessed only by immediate relatives and friends.

The bride couple were attended by Miss Fern Salter of Fond du Lac and Carl Rogers of Stevens Point, a brother of the bride.

Dr. Rogers and family have been camping in the Hamilton cottage at Lake Emily, which was decorated with lilies and wild flowers today.

The bride's dress was of white organdie, and she carried a shower bouquet of pink roses. Miss Salter was the bridesmaid.

Following the ceremony a wedding dinner was served to a small circle composed of members of the family and a few friends. Mr. and Mrs. Spaid will make their home in Amherst. They have deferred a wedding trip until later in the summer.

Mr. Spaid was a resident of Stevens Point up to a short time ago, when he moved to Amherst to become the proprietor of a bakery in that village.

Miss Rogers attended the local High school and Normal, and during the past year taught in the McKinley school here. She has also held teaching positions at Oconomowoc and Westboro.

Aluminum Shower

Miss Mae Kujawa, whose marriage to Frank J. Jerzak will take place Sunday at 2 o'clock at the home of Mr. and Mrs. Frank Spalenka, 428 Normal avenue, Wednesday evening. The hostesses were Mrs. Spalenka and Mrs. A. L. Kujawski.

Twelve young married women were the guests. The evening was spent in binding kitchen "holders" and at

11 o'clock a four course supper was served. The rooms of the Spalenka home were decorated with fresh cut flowers.

In a contest of free-hand drawing, Mrs. Joseph Jerzak won first prize and Mrs. Robert Kostka second.

Annual Reception

The annual reception to summer school students at the Stevens Point State Normal school was held in the Normal gymnasium on Thursday evening.

The reception was held immediately following the band concert given by Weber's band on the Normal school campus. In the receiving line were President John F. Sims, Mr. and Mrs. R. M. Rightwell, Miss Mary Bronson, acting dean of women, and Miss Elda Merton.

Between 500 and 600 summer school students attended the reception and practically all of them stayed for the dance which followed. Dancing was enjoyed to music furnished by the Moore orchestra from 9 to 11 o'clock. Punch and light refreshments were served.

In order that the reception and dance might be most enjoyable for all, tags containing the names and addresses of students attending were worn. The students, at a glance, could thus become introduced to each other.

The marriage of Miss Grace Roe of New Hope, and Clay Quinn of East Amherst, was solemnized by the Rev. Mr. Narragut at the Lutheran church at Waupaca last Sunday. The single ring service was used. Miss Edna Mastod of Wittenberg played the wedding march.

The attendants were Gladys and Myrtle Roe, sisters of the bride, Reuben Quinn, brother of the groom, and Maurice Ellingson.

The bride wore a gown of pale blue organdie and a veil of white tulle. She carried a bouquet of roses.

Mr. and Mrs. Quinn will be at home to their friends at East Amherst after June 30.

Miss Bay Married

Miss Winifred F. Bay, daughter of Mr. and Mrs. Sam Bay of North Fond du Lac, was married in Chicago last week to Erwin H. Marne, a veteran of the World War and now a dental student. The bride's father is an engineer on the Soo line and is well known in Stevens Point.

Star Party Tonight

Arbutus chapter No. 52, Order of Eastern Star, will entertain at a dancing party at the Church street pavilion this evening. Invitations have been extended to members of the Star, Masons and friends. Music will be furnished by Hansmann's orchestra.

Native Stevens Pointers Weds

The St. Cloud (Minn.) Daily Times of last Wednesday, June 21, contained the following interesting story of a wedding in which the names of several former Stevens Point people are mentioned. The bride, who is a niece of Mrs. David Dorrance, 411 Elk street, was born in this city and lived here several years. The Daily Times says:

One of the prettiest weddings to take place in the Sacred Heart church at Sauk Rapids this season was that of Miss Eileen Conway, daughter of Mr. and Mrs. J. H. Conway of Sartell and Adrian Perry, of St. Paul, son of Mr. and Mrs. A. O. Perry of Sauk Rapids.

Rev. Father Kampmann performed the ceremony, before St. Cloud, Sartell and Sauk Rapids friends.

Miss Carolyn Meyers of Sartell and Miss Avis Perry a sister of the groom, Harold McCarr and J. C. Conway, a brother of the bride, were their attendants.

The bridesmaids were gowned in crepe de chine dresses. Both were fashioned alike. Miss Meyers' being a sea green and Miss Perry's a delicate pink. The skirts were made full with an overskirt of deep scallops, and the bodices were fashioned along long lines with batteau necks and flowing sleeves.

The bride gown was a beautiful model of white canton crepe elaborated with lace. Over the hips were also overdrapes of lace. The girls all wore picture hats. The bride carried Opheelia roses and her attendants Columbia roses.

Thirty-five guests were entertained at the home of the bride's parents following the church services.

Mr. and Mrs. Perry will make their

future home at St. Paul where Mr. Perry is employed in the office department of the Montgomery Ward plant.

Mrs. Perry until a few weeks ago was employed at the Sauk Rapids Sentinel office. She has been among Sartell's most popular young ladies and has many friends. She graduated from the Sauk Rapids high school and also completed a course at the St. Cloud business college.

Mr. Perry who is an ex-service man, left for St. Paul eight months ago. He was formerly in business with his father at Sauk Rapids.

Married in Detroit

Local friends of Ernest J. Dupuis, for a few years a fireman on the Soo line, with headquarters in this city, will be interested in learning of his marriage on Wednesday of last week, June 14, at Detroit, Mich. The bride was Miss Myrtle May Wheeler, daughter of Mr. and Mrs. Harry Wheeler. They will be "at home" after July 15 at 250 Edmund Place, Detroit. While a resident of Stevens Point Mr. Dupuis lived at the James Altenburg home on Dixon street.

Miss Lawrence to Marry

Wausau Record Herald: Mrs. D. F. Ploss and Mrs. Fred G. Wichmann entertained at an auction party Wednesday afternoon at the former's home, 410 Franklin street, honoring Miss Lucile Lawrence who is to be a June bride. High honors were awarded Miss Elizabeth Mathie and Miss Verna Gensmann and Miss Lawrence received a guest prize.

Broten-Bolton Wedding

A very pretty wedding was performed at the Robert Broten home, 318 Madison street, at 7:30 o'clock Saturday evening, when Mr. and Mrs. Broten's oldest son, William Russell Broten, was united in marriage to Miss Frances Bolton, whose parental home is at Phillips, but who has been a resident of Stevens Point for the past year or two, employed at the Krembs drug store. Rev. James Blake of the Baptist church tied the nuptial knot, the double ring service being used.

Robert Broten, Jr., was best man and Miss Margaret Bolton of Phillips attended her sister.

Miss Frances Bolton wore a gown of white organdie and carried a shower bouquet of bride's roses. The bridesmaid's dress was of cream georgette and her bouquet was composed of pink carnations.

Shortly before the ceremony dinner in four courses was served to a company of twelve, members of the two families, by Mrs. A. J. Sprague, Miss Ruth Sprague and Miss Geneva Foster.

Table decorations included pink roses and smilax, while the several rooms were beautified with an abundance of wild flowers.

Guests who came from a distance were Mrs. W. A. Bolton, Richard, Margaret and Florence Bolton of Phillips, the mother, brother and sisters of the bride.

Mr. and Mrs. Broten have already gone to housekeeping at 315 Fremont street. He is a graduate of the local high school, later attending Lawrence college at Appleton for one and one-half years. He was a student at the State Normal until accepting a position in the Soo line roundhouse a few months ago. The high regard in which he and his bride are held was shown by the presentation of many valuable gifts.

Marriage License

Application for a marriage license has been made at the county clerk's office by Michael J. Marand of Chicago and Laura Cyrzan of Stevens Point.

Wedding at Rudolph

Frank Bryo of Milwaukee and Miss Delia Joosten of Rudolph were united in marriage Monday morning, the ceremony being performed at 10 o'clock at the Rudolph Catholic church Father Wagner officiating. William Bryo attended his brother as best man and Miss Minnie Joosten was his sister's bridesmaid. Little Dorothy Joosten and Mildred Johnson were dainty flower girls who carried baskets of pink roses, baby breath and ferns and preceded the bride party as they approached the altar.

Miss Delia Joosten, the bride, wore white silk canton crepe, trimmed with pearls and carried a shower bouquet of pink roses. The bridesmaid's dress was of white Nile green organdie, with hat to match, and her bouquet was of sweet peas and baby breath.

Members of the two families and a few intimate friends partook of a wedding dinner at the home of the bride's parents, Mr. and Mrs. John Joosten, Rudolph.

The young couple will make their home on the Bryo farm five miles north of Milladore, where the well wishes of many friends will attend them.

Miss Bryo taught at Milladore and other places in Wood and Portage counties during the past five years.

Kuzynski-Schultz

Miss Sophie Schultz, daughter of Mr. and Mrs. August Schultz, 1062 North First street, became the bride of Vincent Kuzynski, son of Mr. and Mrs. Andrew Kuzynski of the town of Dewey at 9 Tuesday morning at St. Peter's church. The ceremony was performed by Rev. S. A. Elbert.

The bride, attired in a gown of white georgette and wearing a veil, carried an arm bouquet of roses and ferns. Her bridesmaid was Miss Katherine Riske of this city, who wore pink

georgette and carried a bouquet of pink and white carnations and ferns. Victor Goncorake, city, was best man. Rose Schultz, sister of the bride, was flower girl. She wore a frock of white organdie and carried an assorted bouquet of summer flowers.

A wedding dinner, reception and supper were held at the home of the bride's parents, attended by members of 25 families. Mr. and Mrs. Kuzynski will reside with the groom's parents on their farm in Dewey.

Yanta-Kozak

A pretty wedding took place at Plover in St. Bronislawa's church Monday, June 19, when Miss Johanna Yanta, daughter of Mr. and Mrs. Nick Yanta of Plover, became the bride of John Kozak of Ironwood, Mich.

Miss Victoria Drozowski, niece of the groom, and Alois Yanta, brother of the bride, were the attendants.

After the ceremony a wedding breakfast was served to members of 12 families. Miss Yanta is a graduate of the three-year rural course of the Stevens Point Normal school and has been teaching for the past two years in the rural schools of Portage county.

After a short honeymoon Mr. and Mrs. Kozak will reside at Ironwood, Mich., where Mr. Kozak is a railroad employee.

Married 50 Years

Mr. and Mrs. Jacob Simonis of Rosholt celebrated their golden wedding anniversary at their home recently. The couple were united in marriage at Ellis in June, 1872. Shortly after they located on the farm now occupied by Leander Simonis, where they lived until about 13 years ago, when they removed to Rosholt.

Thirteen children were born to the couple; eight of whom are still living. They also have more than 40 grandchildren and 16 great grandchildren living.

Many relatives and friends gathered for the golden wedding observance and Mr. and Mrs. Simonis were presented with a substantial purse as a remembrance of the occasion. Although well advanced in years, Mr and Mrs. Simonis are still in good health.

Stanchik-Kleman

Louis Stanchik and Miss Frances Klemm, both of this city, were married at St. Stanislaus' church at 8 Tuesday morning. Rev. A. Malkowski officiating. Attending the young couple were Theodore Klemm and Pearl Stanchik. A dinner and reception followed at the home of the bride's grandmother, Mrs. Theodore Klemm, 624 Minnesota avenue, attended by members of fifteen families.

The bride gown was of white silk messaline, with lace overdress, and her bouquet was of white roses. Her bridesmaid wore yellow messaline and carried pink carnations. The groom is a papermaker, employed at Arpin, and they will go there soon to reside.

Laska-Travicka Wedding

Paul P. Laska of Rosholt and Miss Martha Travicka were principals in an unusually pretty wedding ceremony at Sacred Heart church, Polonia, at 9 o'clock Tuesday morning. They were attended by two couples, Alvin Laska and Elizabeth Travicka, Leo Travicka and Mary Laska. Dinner was served at noon to a large company of relatives and friends at the home of the bride's parents, Mr. and Mrs. Victor Travicka, in the town of Sharon.

In addition to the attendants named above, the bride's attendants included a little flower girl, Emily Travicka. Mr. and Mrs. Laska will spend the coming week on a trip to various cities and towns south of here.

Married in Milwaukee

Announcements have been received in the city of the marriage of Ella Liesner, a daughter of Mr. and Mrs. Charles Liesner of Milwaukee, to Robert J. Summers, a son of Mr. and Mrs. J. J. Summers, 1241 Water street.

The marriage took place Saturday, June 17 in Milwaukee, where Mr. Summers is employed. He has been a resident there for the past several years, being in the employ of the Gridley Dairy company. The young couple will make their home in Milwaukee.

Mr. and Mrs. Summers and son Roy of this city attended the wedding.

Marriage Revealed

The marriage of Miss Lillian Firkus, a daughter of Mrs. Katharine Firkus, Fifth avenue, to Fred C. Laine of Green Bay on Thanksgiving Day, 1921, has just been revealed. The wedding has been kept a secret from both relatives and friends since November.

Mrs. Laine spent the past month in Chicago, with a sister who has been seriously ill. She will spend the summer in Green Bay and in the fall will leave for Baltimore, Md., where Mr. and Mrs. Laine will make their home. Mr. Laine is engaged in the real estate business.

Mrs. Laine was employed at the Hutter Bros. print shop here for several years.

Miss Grant Honored

Miss Florence Grant, who is soon to be married to E. P. Stevens of Karliden, South Dakota, was an honored guest at a variety dinner tendered by Mesdames George Goncorake and W. E. Telchert at the Telchert home, 805 Wisconsin street, on Monday evening. Nearly 40 guests were present and the evening was spent playing "500," honors in cards being won by Mrs. Ross Joy. A luncheon was

served later in the evening. Miss Grant, who formerly resided here and is a guest at the home of Mrs. B. W. Wheelock, received a large number of gifts. The home was prettily decorated in wild flowers and peonies.

Local Girl a Bride

John Bannach of Plover and Miss Anastasia Tomczak of this city were married at St. Peter's church Tuesday morning at 8 o'clock. Rev. S. A. Elbert tying the silken cords. Ted Bannach and Peter Garsamka attended the groom and Misses Tille Tomczak and Emily Cychosz were bridesmaids.

A wedding dinner was served at the home of Mr. and Mrs. John Tomczak, parents of the bride, 400 Smith street, nearly one hundred friends gathering there and remaining for an afternoon and evening reception. Mr. Bannach is employed by the Whiting-Plover Paper company.

Wedding Announced

The marriage of Miss Florence Mary Black, daughter of Mr. and Mrs. James W. Black, Kaukauna, to Dr. Henry J. Weland, Milwaukee, will take place Saturday afternoon, July 8, at the residence of the bride's parents. Miss Black is a former student and a graduate of the State Normal here. Following her graduation several years ago she taught at New London.

Jerzak-Kujawa Nuptials

A wedding ceremony which for impressiveness and beauty of surroundings exceeded anything of like character in Rudolph village, was solemnized at St. Philip's church at 9 o'clock Tuesday, when Rev. P. H. Wagner the pastor pronounced Frank J. Jerzak of this city and Miss Mary Isabelle Kujawa as man and wife, the double ring service being used. The handsome edifice was further beautified by an abundance of cut roses and ferns.

Miss Mary Jerzak of Milwaukee, a sister of the groom, served as bridesmaid, Miss Helen Kujawa was maid of honor for her sister, little Genevieve Kujawa was flower girl and Dr. L. P. Pasternacki attended the groom.

An incident connected with the services worthy of special mention was that members of the choir were the bride's mother, an aunt and two sisters.

Miss Mary Kujawa was radiantly gowned in white satin and Spanish lace, her tulle veil being caught with orange blossoms, and she carried a shower bouquet of pink roses, sweet peas and baby breath. A string of pearls, the gift of the groom, was her only ornament.

The bridesmaid's dress was of white canton crepe with hat to match, and her arm bouquet included snapdragon and carnations.

The maid of honor wore pink satin combined with embroidered georgette and a maline hat of the same shade. A bouquet of pink and white snapdragon completed her costume.

The flower girl, dressed in white organdie carried a basket of pink sweet peas and snap dragon.

Pink, light green and white crepe paper, cut to represent sweet peas, was used to decorate the lower rooms in the Kujawa home at Rudolph, where dinner was served at noon and a reception followed during the afternoon and evening. Some fifty guests, most of whom are relatives, were entertained at noon at a five course meal and nearly 75 in the evening, many driving out from this city. The dining tables were draped with smilax, while pink candle shades and vases of roses were included in the decorative effect.

Guests present from a distance were Mr. and Mrs. Albin Kujawa and John Kujawa of Mosinee, Mrs. Frank Ollman, Lawrence and Frank Ollman, Jr., and Miss Clara Ruzicka of Chicago, Mr. and Mrs. Victor Werachowski and son, Jack, and Miss Mary Jerzak of Milwaukee, and Roman Anuzewski of Thorp.

Mr. and Mrs. Jerzak will return to Stevens Point later in the week and go to housekeeping in a completely furnished home at 893 North Third street.

Mr. Jerzak is one of Stevens Point's best known young business men. He is senior partner in the Jerzak meat market on North Second street.

His bride's parents are Mr. and Mrs. A. J. Kujawa, former residents of this city but who moved to Rudolph several years ago, where Mr. Kujawa conducts a big general store. Mrs. Jerzak was employed as a bookkeeper in the Citizens National Bank for a couple of years and is a popular local young woman.

Gets Bride at Rib Lake

Walter E. Wohleben, one of the telegraph operators at the Soo line passenger station in this city, is receiving the congratulations of many friends on the occasion of his marriage last week Thursday at Rib Lake. The bride was Miss Marie Gumm, daughter of Mr. and Mrs. Charles Gumm, pioneer residents of that district.

Attendants of the bride and groom were Mr. and Mrs. N. Welty and the ceremony was performed at the Gumm home by Rev. Lombard.

A few days wedding trip to Mr. Wohleben's former home at Butternut, and to Chicago, was taken. The bridal pair are now located at 596 Wisconsin street.

Mrs. Wohleben is a graduate of the Stevens Point Normal, class of 1920, and had since been teaching in the Wausau schools. Her husband has been a resident of Stevens Point since two years ago last winter.

BITS OF NEWS

Mostly Personal

MONDAY

Mr. and Mrs. Henry V. Nelson and baby son were here from Waupaca for a week end visit at the home of Mrs. Nelson's parents, Mr. and Mrs. C. E. Van Hecke.

John J. Reilhan, for the past year a student in the commerce department of state university at Madison, returned to that city Sunday afternoon to continue his studies during the summer session.

Miss Florence Gething has completed her second year's work as teacher at Iron River, Mich., and returned to her home in this city.

Miss Elizabeth Skinner, for the past few years a member of the faculty of the Sauk county Normal school at Reedsburg, came home last week for the summer vacation.

Mr. and Mrs. Peter Urbanowski, 302 Washington avenue, welcomed the arrival of a daughter at their home on June 21. There are now two girls and two boys in the family.

Dr. and Mrs. W. H. Lind drove down from Marshfield Saturday afternoon and visited at the home of his sister, Mrs. J. L. Jensen, and among other local relatives. Their son, Robert, who had been here a week, returned to Marshfield with his parents on Sunday.

Miss Jessie Sparks, for several years employed as stenographer by the Bryant paper company at Kalamazoo, Mich., visited for a couple of weeks at the home of her parents, Mr. and Mrs. Charles F. Sparks, 306 Dixon street. Miss Sparks returned to Kalamazoo on a Saturday morning train.

Geo. Urban is spending a few days at Watertown, in conference with officers of the Watertown Table Slide company, by which concern he is employed as lumber buyer and inspector.

Mr. Urban will also go to Milwaukee for a visit with his son, Henry.

Edward Voge spent the week end with friends at Madison.

Mr. and Mrs. F. H. Boyle and William Sanders of Fond du Lac, visited at the A. W. Breitenstein home in Stockton Sunday. Miss Mabel Breitenstein returned with them in the evening to resume her duties as a trained nurse at St. Agnes' hospital.

Miss Ethel Cartmill has arrived in the city from Billings, Mont., where she taught the past year. Miss Cartmill made the trip to Stevens Point from Montana by car, driving with three Milwaukee women, Miss Lydia Blode, Miss Clara Kilts and Miss Lillian Lewis. The trip was made in six days, the party being forced to make many detours on the way because of floods.

Miss Marian Smith of Syracuse, N. Y., formerly of this city, is visiting at the home of J. W. Vaughn, 1417 Main street.

Miss Amy Anderson, public librarian, returned this morning from a month's vacation at her home town of Paducah, Kentucky.

Mrs. Jane Finch and daughter, Miss Elizabeth, arrived here this morning from Aberdeen, Wash., to spend the summer months with their sons and brothers, Thomas and Benjamin Finch. Miss Finch has been employed as a supervising teacher in the Aberdeen schools for several years.

Mr. and Mrs. C. F. Smith of Chicago are guests at the home of Mrs. Smith's sister, Mrs. James Manland, Clark street, to remain until after the Fourth.

Miss Kate Welch, who has been located at Cleveland, Ohio, as representative of an educational publishing house, returned here this week for a vacation among relatives and friends.

Miss Jane Rood, daughter of Dr. and Mrs. P. W. Rood, of Milwaukee, arrived here today to spend a week at the old home on Main street, a guest of her uncle and aunt, Dr. M. G. and Miss Katharine Rood.

Mrs. Margaret Mullen and Mrs. Ed. Baker and little daughter Farrell, were called to Tomahawk last Saturday evening by the dangerous illness of their sister and aunt, Mrs. Edward Houlihan. She has been poorly for the past couple of years, suffering with neuritis and other complications, and the latter part of last week a turn for the worse set in. A telephone message from Tomahawk on Sunday reported that the patient's condition was a little easier.

Miss Amy Carley is again at home from Gilbert, Minn., where she has been teaching, to spend the summer with her parents, Mr. and Mrs. E. J. Carley.

Miss Virginia Carley, for the past year a post-graduate student at the American Conservatory of Music, Chicago, returned home Sunday morning. She has just been awarded a bachelor's degree. Miss Carley was accompanied by Miss Florence Edwards of Fort Dodge, Iowa, and both young ladies will appear in a recital at the Normal school auditorium this evening.

Felix Wiczek, the town of Stockton young man whose death is noted elsewhere in this issue, was a member of Charley court of Foresters at Custer and carried insurance of \$1,000. He joined the court in July, 1920. A delegation of brother members will attend the funeral at Polonia Tuesday morning.

Miss Harriet Holmes of St. Louis, Mo., a cousin of Mrs. T. B. Pollard of this city, who is a graduate of the Morse School of Expression, has located here and has opened classes in expression and physical education in the city.

TUESDAY

H. J. Finch is spending today at Colfax, Wis., on a business trip.

M. E. Check is spending today on a business trip to Fond du Lac.

Mrs. Morris Anderson left for Greenwood today for a visit at her former home.

Mr. E. Check, manager of the Wisconsin Advertising Agency spent the day in Fond du Lac.

Wilmot J. Pierce of Stanley visited a few hours on Monday among friends here and at Plover while enroute to Milwaukee.

Mr. and Mrs. J. T. Coventry have been week-end guests of Mr. and Mrs. A. H. Nikes. Mr. and Mrs. Coventry make their home in Milwaukee.

Mrs. W. W. Mitchell has gone to Minneapolis for a couple of weeks' visit with former Stevens Point people now living in that city.

Mrs. Theo. Ohlinger and Miss Florence Zel left for Beloit Monday to visit at the homes of their sisters and aunts. Mrs. John Harter and Mrs. George Selby.

Mr. and Mrs. W. R. Moulds and son, Robert, of Chicago, are guests for a week at the H. C. Cloyburn home at 629 Strongs avenue. Mrs. Moulds and

OTHERS HURT IN CRASH AT DANGER CURVE

**Train Crew Sees Auto Take
Drop of Nearly 40 Feet
From Bridge**

One girl is dying at the local hospital and another who was seriously injured is a patient there as a result of a calamitous accident at Amherst Junction Sunday night when the Ford touring car in which they were occupants crashed from the bridge on state trunk line No. 18, nearly to the bottom of a 40 foot embankment where the Soo line right of way passes underneath the road.

Two young men companions of the girls miraculously escaped with minor injuries. The automobile, driven by the girl whose recovery is doubtful, turned over sideways three times, then end over end twice, before ending its fateful plunge almost in the path of an oncoming freight train.

The Victims

Victims of the accident are: Helen Lamkins, 17, Ogdensburg, driver of the car—Fractured at base of the skull, jaw broken in three places and left arm broken in three places. Unconscious since the time of the accident and probably will not recover. Joyce Lamkins, 15, Ogdensburg, a sister of Helen Lamkins—One shoulder broken and dislocated, face cut and bruised and many other injuries on other parts of her body. Rexford E. Dearth, 20, Manawa—Bruised back and injured knee but not otherwise hurt. Vernon Domman, 17, Royalton—Bruised back, knees and hand, also not seriously injured.

Train Takes Victims

After the fateful plunge first aid was given the injured by Miss Anna Simonis of Nelsonville, a trained nurse, who happened to be passing the spot in another car just at the time and who was called upon for aid by Dearth, who scrambled up the steep embankment for help. While aid was being administered the freight train proceeded to the siding at Lake Emily leaving its string of cars and returning to pick up the victims. They were brought to Stevens Point in the caboose and then rushed to St. Michael's hospital, where several local doctors were called. Although the train stopped only a short distance from where the automobile came to a stop, neither the car or its occupants were thrown on the right of way. So close was the train that members of its crew, seated in the engine, witnessed the accident and brought the train to a stop.

Known As Danger Curve

The place in the highway where the bridge crosses the deep cut through which the Soo line runs, is located on the outskirts of Amherst Junction village and has long been known as a danger curve. From both directions the road makes an abrupt turn at right angles just before the bridge is reached, then swings back to its former direction. The place is known as the Tobie bridge.

A vividly described story of the accident was given the Journal today by Dearth, owner of the car and an occupant of the back seat when it took the plunge. The quartet of young people were motoring toward Stevens Point from Waupaca, where they had stopped earlier in the evening after driving there from the home of the girls' parents at Ogdensburg. Their destination was Stevens Point.

Girl at the Wheel

The accident occurred at 9:15 o'clock. Miss Helen Lamkins was at the wheel and Vernon Domman was seated beside her. Dearth and Miss Joyce Lamkins were occupying a rear seat. According to Dearth, Miss Helen Lamkins is an experienced driver and fully familiar with the operation of a Ford touring car. She had been motoring along at a speed of 25 miles an hour, he declared, but slowed the car down to 15 miles an hour or less as soon as the danger curve was sighted. In rounding the curve, she turned too far to the right, however, the hub of the right hand wheel in front striking the railing on one end of the bridge. This caused the car to swing toward the side of the bridge and an instant later the automobile and the four passengers were crashing toward the bottom of the steep hill.

According to Dearth, the Ford turned over sideways three times at the top of the embankment, then took another direction and again plunged downward, twice going end over end. All four occupants remained in the automobile almost until it came to a stop at the lower end of the embankment 15 feet from the Soo line right of way. Domman was thrown out as the car took a final somersault and Dearth was thrown out at just about the same time. The girls were still in the car pinned beneath its wrecked top.

Tells of Experience
"Someone yelled 'jump' as we were going down, but there wasn't any time to do that or anything else. It all happened so quickly," Dearth declared today. "Vernon attempted to kick the switch and shut off the car just as it started down the embankment but missed it. The motor was running after the accident was all over, and the front of the car was headed up the embankment."

The two young men quickly saw that their girl companions had been seriously injured and Dearth started out to get help, leaving Domman with them. Meanwhile the freight train had stopped and its crew arrived at the scene. Dearth assisted by a man who had heard the crash and had

climbed down the embankment, crawled up the steep hill to the road and halted the first passing car. One of its occupants was found to be Miss Simonis, a trained nurse, who hastened down into the cut and gave what assistance she could to the girls. The train crew offered its services and started for the siding at Lake Emily to leave its load, returning in 15 minutes with the locomotive, tender and caboose. A doctor from Amherst, who had been called, accompanied the party. The speed of the special was held down to 20 miles an hour upon the advice of the physician, on account of the condition of the two girls.

Automobile Wrecked

The automobile was wrecked in the plunge. The body of the car was crushed and the windshield, top and steering wheel demolished. The machine came to a stop close to the bottom of the embankment and about 15 feet distance from the Soo line right of way.

The Misses Helen and Joyce Lamkins are the daughters of Mr. and Mrs. Almer Lamkins of Ogdensburg, who were notified of the accident and called to the city. Dearth is a son of Mrs. E. M. Dearth who resides three miles southeast of Manawa. Domman's home is at Royalton but he is employed on the farm of George Eader near the Dearth farm.

Enroute to the Point

The two young men after doing the chores at the farms on Sunday evening, started out in Dearth's car for Ogdensburg, where they called up the Lamkins girls. They then drove to their home to get them and the two couples motored to Waupaca and attended a show. After the show they decided to motor to Stevens Point. Miss Helen Lamkins drove the car from her home almost to Waupaca and again took the wheel shortly after the four left that city. During the trip Domman was seated beside the driver, while Miss Joyce and Dearth occupied the rear seat. Domman drove the car while the party was in Waupaca.

The freight train, No. 23, west bound, which picked up the victims and brought them to this city, was in charge of Conductor Herbert Hamilton and Engineer F. Elliott, both of Fond du Lac. News of the accident spread so quickly that a crowd had gathered at the Soo station here by the time the locomotive and caboose carrying the injured people reached the city.

BIG FUND AVAILABLE FOR ROADS IF STATE PROVIDES EQUAL SUM

**Wisconsin Will Benefit to the Extent
of Nearly Seven Millions If
Legislation Makes
Provision**

Madison, June 24—A total sum of \$6,762,000 will be given to the state of Wisconsin by the federal government for highway construction in the next four fiscal years, beginning next July 1.

If the 1923 Wisconsin legislature makes provisions for the state to meet this sum, dollar-for-dollar, with money from the state treasury to be spent on the Wisconsin road program. Signing by President Harding of the \$190,000,000 national road aid appropriation bill last week completed the national legislation necessary for the national aid to the state's road-building programs. Engineer-Secretary M. W. Thorkelson of the state highway commission told the United Press today.

Now all that remains is for Wisconsin to "qualify" for the money by providing by legislation for a like sum. The first bill in the legislature last summer was defeated on the grounds that it provided for state appropriation to meet federal aid, before the federal aid bill had been passed.

The federal money will be derived from the appropriations made by two different bills. A bill appropriating \$75,000,000 among various states for the present fiscal year, will still allow Wisconsin to claim its share, \$1,900,000 by appropriating the same amount for work next year.

The bill signed last week provides for the appropriation of \$50,000,000 among the various states in the fiscal year starting July 1, 1922. The amount Wisconsin will get of this sum, providing she appropriates a like sum, is \$1,263,000.

The same bill covers the following two fiscal years, 1923-24, and 1924-25, the government offering for distribution among the states \$65,000,000 for the first year, and \$75,000,000 for the second year. Wisconsin's share is figured on a basis of 2.56 per cent. Wisconsin's share for these two years will be \$3,500,000.

We expect the legislature next spring to pass legislation taking advantage of every cent of this federal aid. Engineer-Secretary Thorkelson said in announcing the large sums available to the Badger state.

A new provision in federal road aid is made in the \$190,000,000 appropriation bill covering these last three years. The bill limits the amount of federal aid that may be used in each state of road construction. For the first year, 1922-23, \$16,250 of the federal money may be used in every mile. If the total cost is more than twice as much, the state must stand the extra expense.

For the following two fiscal years, provided for, the states may not spend more than \$13,000 a mile of federal money on the road construction work.

BIGGEST PARADE EVER SEEN HERE IS 4TH PROSPECT

**Prizes Aggregating \$130 Are
Offered By Legion
Committee**

Present indications are that the biggest parade ever staged in Stevens Point will be held here the Fourth of July, when the American Legion's monster Independence celebration is put over.

With advertising posters placed in the towns and villages in central Wisconsin, a record crowd of visitors is expected in town to see the mighty concourse, which will make a trip through the principal streets of the city starting at 10 o'clock in the morning.

Many Floats Promised
Practically all of the local business houses have cooperated with the Legion committee in promising to enter floats in the parade. In order to bring out a larger number of floats and decorated automobiles and to make the parade a success in every way, \$130 in prizes have been offered for the best decorated commercial floats, privately decorated cars, the best comic floats and the most clever impersonations entered.

A first prize of \$25 will be given the local business house which enters what is judged to be the best decorated commercial float. A second prize of \$15 and a third prize of \$10 in this division will also be given.

For the best decorated pleasure cars a first prize of \$20 will be given and a second prize of \$12.50. For the best comic float a first prize of \$15 and a second prize of \$7.50 will be awarded.

Two prizes have been announced for the best comic impersonations of local prominent men or women. A first prize of \$10 will be given and a second prize of \$5 has also been announced. It is hoped to make this feature of the parade one that will cause much amusement and interest.

All Invited to Enter

Every one in Stevens Point is invited to enter a float in the parade, and the Legion committee which has charge of the parade portion of the day's program has issued an invitation to local people to assist in making it the biggest ever. Those who wish to enter the competition for the various prizes are asked to register with Lyman Park, at the Citizens National Bank, Earl A. Wilson at the Macklin-Wilson Floral company, or Arthur Duggan at the offices of the Consolidated Water Power and Paper company. Registrations are asked to be made immediately so that arrangements for the parade and other plans which must be put through can be completed some time before July 4. The two local guard units, Battery B and the combat train, will march in full regalia in the parade. Present plans put the local guardsmen at the head of the concourse. The two local bands, Weber's and the Consolidated, have been invited to march and will play, while a third band, a clown organization is in prospect.

Labor Unions In

Members of the city council, all labor unions, lodges and other local organizations have been asked to enter delegations in the parade. Local C. A. R. members will ride in cars.

A reviewing stand is to be erected in front of the post office, where, after they have gone about the line of march, the city council members and other prominent people in the parade will sit and review it.

The judges of the various floats, who have not yet been chosen, will also sit in this stand, where they will determine the various winners.

MISS NOHR IS BURIED

Hundreds Attend Service at St. Joseph's Church on Sunday

Sorrowing friends to the number of several hundred, including the entire local membership of the Ladies' Auxiliary to the Brotherhood of Locomotive Engineers, paid their last respects to the late Miss Grace Nohr, whose funeral took place from St. Joseph's church Sunday afternoon at 3 o'clock. Rev. H. J. Ehr spoke feelingly of the deceased and lauded her Christian virtues. He expressed the hope and belief that her exemplary life will win for her a place among the blessed.

Interment followed in St. Joseph's cemetery, where the remains were laid away by F. B. Shemanski, Adolph Schierl, L. H. Martini, Harold McCullum, James Crowley and Ray Schneider.

Relatives and friends who came from away included Mrs. A. Cramm of Columbus, Ohio, Mrs. F. Cramer of Chicago, M. Conahan of Milwaukee, Mrs. Frank Conahan and Mrs. James Shiel of Oregon, Wis., Mrs. Joseph Rupp and James Conlin of Madison, Miss Helen Schneider of Charleston, W. Va. The latter, who was a chum of the deceased, reached Stevens Point Saturday night.

Paid for Her Passage.

One day my mother and I drove to town in a buggy that had been standing outside the barn. When we got to town, I raised a blanket from the floor of the buggy and made me say surprise when a ten jumper, out of the buggy and started to take because she had had an egg under the blanket—Exchange

WISCONSIN CROPS

IN GOOD CONDITION

Right Amount of Soil Moisture Furnished Proper Seasonable Growth

Last Week
Madison, Wis., June 27.—The right amount of soil moisture gave crops in Wisconsin their proper seasonable growth during the past week, the crop reporting service said here today.

The only exceptions were a few northern counties, where the soil in flooded, and some southeastern counties where the soil is a bit too dry.

Hail injury to all crops in Chippewa county is the only serious crop casualty of the week.

More hot weather is needed, the report declared.

The cultivation of corn has been delayed by wet soil conditions, and fields are becoming quite weedy. Some cut worm and grub worm damage is reported from late planted fields.

Early planted potatoes are in good condition, but part of the late planted in northern and central counties are rotting in the ground. Potato bugs are "numerous."

Slight damage from cut worms is reported from the tobacco fields. Otherwise tobacco is in fair condition. Prospects for winter wheat and rye crops are good, with heads well out and filling. Spring wheat, oats and barley are in good condition generally, with occasional touches of rust.

Hay cutting has been delayed by lack of good curing weather. Some clover and alfalfa injured in swath by rains. Yields are reported "fair to heavy" depending on whether the stand is spotted or good.

Canning of peas is well under way, with good crops except in LaCrosse county. Sugar beets generally are in poor condition. Cherries are bearing fair to heavy, and fruit ripening fast.

Livestock is in good condition everywhere in the state.

Girl In Swimming

**Gets Beyond Depth
Has Narrow Escape**

Miss Frances Zimbauer of Stevens Point had a narrow escape from drowning late Friday afternoon. Cushman's swimming hole when she carried beyond her depth by the current of the Big Plover river. The local men who were swimming near succeeded in bringing her to safety from the deep water. She was unable to swim.

The scene of the rescue was a bend in the creek just below Cushman's, where the current has washed a deep hole in the southeast side of the river. Miss Zimbauer was bathing with a friend, when she suddenly was carried into the hole. She had gone down twice when Hugh Grover, a strong swimmer, went to her rescue. The girl grasped Grover about the neck, and when he was unable to swim because of her tight hold, he was placed in a serious position.

With the aid of John Wyland of Irving Wood, the girl and man succeeded in reaching shallow water. Miss Zimbauer swallowed only a small amount of water and was none the worse for her experience.

WAUSAU BOY DROWNS

**Companions' Report of His Fall Into
Tail Race Not Believed
At First**

Felix Wyrozowski, aged eleven years, was drowned in the tail race below the old plant of the Wisconsin Valley Electric company at Wausau. With two small companions, Joseph Peonek and Edwin Gofski, he was fishing near the power house, standing on the embankment wall, when he slipped and fell into the water. The swift current carried him down the tail race for about thirty feet where he attempted to climb up the rock wall but his hands slipped and he sank under the water. His companions attempted to give aid with an iron bar, but could not reach him.

They started for their homes, telling several persons a boy had drowned.

STATE PHARMACISTS

MEET AT GREEN LAKE

Green Lake, June 27.—The large attendance in the history of the Wisconsin Pharmaceutical association, expected to be here at the annual convention starting today and continuing through June 30.

Speakers on the program include Oscar Morris, Milwaukee, Charles Hahn, Minneapolis, Dr. Edward Kerner, University of Wisconsin, and Walter Simon of the state industrial commission.

BIG CONTRACT IS AWARDED TO LOCAL CONCERN

\$100,000 Worth of Tire Protectors a Year To Be Sold In the East

Evidence of returning business prosperity was contained in the announcement of the Bukolt Manufacturing company of this city that it had entered into a contract to furnish an eastern concern with large quantities of highway tire protectors. Annual minimum receipts of \$100,000 for ten years from their sale are assured the local firm, it was stated, and the figure may go far beyond that amount.

The purchaser of these protectors is the Atlantic Coast Auto Exchange, incorporated, of Baltimore, which now plans to re-incorporate under the firm name of the Highway Tire Protector company. The concern deals in automobiles and accessories.

Eastern Territory

A territory including the entire Atlantic seaboard from Maine to Texas has been designated for the sale of the protectors made here, it was announced. The sale is expected to be greatly increased by improvements just made to the product by the inventor, John J. Bukolt.

The eastern firm has based its prospective sales upon a percentage of the cars in existence in the territory it will serve. The minimum quantity of tires to be purchased will represent one-tenth of one per cent of the total number of cars in the territory, on the basis of one pair of protectors per car each month. It has been estimated by the Bukolt company that this will amount to a minimum of \$100,000 for their per year in actual receipts.

Larger Crew Planned

It is planned to install additional machinery here to handle the big output of protectors called for under the terms of the contract, Mr. Bukolt explained. This will also mean employment of a larger force of workmen. Manufacture of the protectors for the contract orders has already been started.

The contract entered into bears the personal signatures of LeRoy Walter Weil, president of the Atlantic Coast Auto Exchange firm, and Major Swindell, Baltimore, who is financing the company. Both men paid visits to Stevens Point on three different occasions within the past few weeks in connection with the business deal. Major Swindell, who heads the firm of Swindell Bros., manufacturers of glassware and bottles at Baltimore, is reported to be a millionaire. His personal guarantee is behind the Auto Exchange company, Mr. Bukolt declared.

The tire protectors made by the Bukolt company have just been greatly improved by the use of cord instead of fabric material. Each section heretofore was composed of vulcanized fabric with rubber on the outside, while the improvement provides for the use of cord in the rubber, strands of cord being used on the same principle as in cord automobile tires. The sections are reinforced on their ends with fabric. A guarantee of 7,000 miles will be given instead of 5,000 miles as in the past. Still another new feature of the protector is the use of the spheroiding process by which zinc is to be burned into the steel parts of the sections and in the links, preventing rusting.

First Shipment Soon

The eastern firm will be allowed one year to get its sales forces organized along the seaboard, but deliveries of the local product will begin as soon as the output warrants shipment, or within a short time. Each section of protector will contain the name and address of the manufacturer. Up to the present time use of the highway tire protector has been largely experimental, but members of the Bukolt firm believe that with the new features added, it will become an accepted accessory. Other firms are displaying interest in the protector. In Michigan business interests at Detroit are seeking agencies and territory for its sale.

Protected by Patents

Since the protector was first invented by Mr. Bukolt it has gone through a series of improvements until it is believed that it has now reached a perfected stage. It is fully protected by patent rights, the firm holding six patents on the article and improvements made to it. The Bukolt company plans to turn out 1,000 protectors a day.

WORTHLESS CHECKS

Coddington Young Man Is Bound Over to Circuit Court

Bernard Bird, Coddington, was bound over to circuit court for sentence Wednesday by Justice G. L. Park after he had entered a plea of guilty to a charge of uttering and passing a worthless check. He was released on bail of \$750.

Bird is alleged to have issued a check for \$2.50 which was cashed by Mrs. Jessie C. Plank, and was afterwards found to be worthless. Authorities say that he has passed numerous worthless checks of small denominations in the past.

WILLIAM HERRON DEAD

Early Day Resident Here Passes Away In Minnesota

A letter received last week by A. J. Cunneen, financial secretary of Branch No. 11, Catholic Knights of Wisconsin, announces the death on Monday at Thief River Falls, Minn., of William Herron, an early day resident of Stevens Point and a member of the above named organization for over 30 years.

When P. & J. Meehan operated a saw mill near what is now Meehan station, in the town of Plover, Mr. Herron was employed by them, and some 20 years or more ago, when they transferred their lumbering operations to the Thief River Falls district in Minnesota, he moved his family there and resided in that country ever since.

Mr. Herron married Miss Gustaf Borts, member of a pioneer family in the town of Linwood and sister of Albert Borts, who now operates the old home farm. Mrs. Herron survives her husband, as do also several adult children, most of whom live at Thief River Falls. The deceased was 74 years of age. One brother, John Herron, is a resident of Wisconsin Rapids. It is probable that interment will be made in the Minnesota village. The many old time friends who remember him will regret to learn of his death.

MISS GRACE NOHR

TAKEN BY DEATH

Well Known Local Young Woman Succumbs After Serious Illness of Two Weeks

The passing out of a life in the very bloom of womanhood is very sad at any time, but when the only daughter in the home is taken there seems for greater cause to grieve. Endowed with all gifts and accomplishments that one could desire, Miss Grace Nohr was taken seriously ill a couple of weeks ago and Thursday morning her brief earthly career came to an end.

Miss Nohr, daughter of Mr. and Mrs. Merton Nohr, 218 Jefferson street, came home from Waukesha two weeks ago last Tuesday at which time and for several days previously she suffered from violent headaches. Realizing her condition to a considerable extent, she immediately arranged for admittance to St. Michael's hospital and became a patient there a few hours after her arrival in the city. Her family physician, who was out of town temporarily, was called back and took charge of the case. He saw at once that Miss Nohr was critically ill and therefore more than usual efforts were made in her behalf. A trained nurse, Miss Marie Ballou, being brought here from Marshfield and the patient being cared for every moment. A week ago she lost consciousness and one Wednesday noon an abscess burst in her head. Since the latter hour all hope for her recovery was abandoned but her exceptionally strong constitution served to maintain the spark of life until Thursday morning.

Grace Nohr was born at Ashland 27 years ago the 1st of last March. The family moved to Abbotford about six years later and lived there until twelve years ago. Mrs. Nohr purchased the Majestic Hotel in this city and managed the property until within the past three or four years, when the family retired to private life.

The now deceased young woman attended the city schools here graduating from the High school with the class of 1915. Two years later she was awarded a diploma at the Normal. Her teaching experience included two years at Iron Belt, Wis., four months at Beloit and two years at Waukesha. During the past year she was promoted to assistant principal.

The beginning of her illness may be dated from the time that Miss Nohr was employed at Beloit. The epidemic of influenza which covered the entire country at that time numbered her among its victims and for many weeks she hovered between life and death. She had just come home for the holiday vacation when taken ill and because of her weakened condition, did not return there to complete any of the year's work. Since then she had suffered frequently and early this spring suffered a breakdown for several weeks.

Her last term of school closed the afternoon of June 2, and that evening she collapsed physically, but through sheer force of will power she gathered her reserve strength and was able to return home alone early the following week.

The only other member of her immediate family is one brother, Leonard Nohr, at home.

WATSONS LEAVE CITY

LOCATE IN FALL RIVER

Fred and Mrs. G. E. Watson left here on Thursday in their car for Fall River, Columbia county, where Mr. Watson has signed a contract as superintendent and principal of the village schools and will begin his work there in September. For the past year Mr. Watson was a teacher of history in the local high school and Mrs. Watson also devoted five half days each week to instructing classes there. Fall River is a town of about 600 people, located 25 miles southeast of Portage and surrounded by a prosperous farming community.

UNION FREE HIGH SCHOOL PROPOSED

Merger of Rosholt and Town of Alban Interests Is Being Considered

State Supervisor of Graded Schools W. T. Anderson of Madison, and Alice M. Gordon, county superintendent of schools, conferred with the school board of Rosholt village and the school board of the town of Alban in regard to the establishment of a union free high school.

The attendance in Rosholt has been increased greatly the last two years because of the large number of tuition students from the surrounding districts. If this union free high school is established it will mean that the boys and girls in the surrounding districts will enjoy high school privileges at the same time residing at their own homes. The various school boards will present the project to their respective districts after which a special election will be held.

Newsdays.

An optimist is a man who can see a bright lining to other people's clouds.

TO START BUILDING NEW PLANT IN JULY

Modern Structure For Retail Lumber Trade In Stevens Point to be Erected This Summer

Bids are to be opened July 10 by the E. J. Piiffner company for the construction of a two-story brick and concrete mill building on the company's property on Franklin street this summer.

The building, which will house when completed what the company hopes to make the most modern retail lumber plant in the central part of Wisconsin, is expected to be finished this fall. It will be 60 by 100 feet in dimensions and will be built over a full basement.

The first floor of the building will contain, besides the offices of the lumber concern, a "hot room" for the storing of finished lumber, hardwood flooring and other lumber products of this nature. The balance of the first floor will house the mill proper. Much new machinery is to be installed in the new building, including a band re-saw, sander and smaller devices used in the retail lumber trade.

The second floor will be used for storage purposes. An electric elevator will be installed to carry materials from one floor to another in the building.

The plant which the Piiffner company will have constructed this summer is declared to be a new departure in the lumber business, in that it means a close coordinating of the various departments of the retail lumber trade.

The aim of the company in constructing its new plant is stated to be for the purpose of best caring for its retail trade in Stevens Point, both as to material and service. The plant is to be so arranged and constructed that special attention can be given to special mill work.

BOND MONEY RECEIVED

Wood County Paid Over Half Million On Highway Certificates

The Wood county treasury was enriched \$526,819.80 last week when that amount was turned over to County Treasurer James La Vigne by the Second Ward Securities company, and the First Wisconsin company of Milwaukee and the W. R. Compton company of Chicago, the syndicate which purchased the \$600,000 of highway improvement bonds sold this spring.

The cash received includes the \$300,000 face value of the bonds, a premium of \$20,319.80, and accrued interest of \$4,500. The money has been deposited in banks of Wisconsin Rapids and in Marshfield where it will be available as needed for highway construction work.

Favorable to County

It was pointed out that through the change in the money market during the past year, the county made a much more favorable sale of this last block of bonds. \$700,000 of similar 5 per cent bonds were sold the year before and brought considerably less than face value, the actual amount realized being \$443,015 exclusive of 5 per cent bonds sold at a premium and netted the county a substantial difference.

TO RESIDE IN WEST

A. K. Somers and Family Leave For Tenino, Washington

Mr. and Mrs. A. K. Somers and two children, Newton and Donald, left last week for Tenino, Wash., where they own a ranch and will make their future home. They have been residents of Stevens Point for the past two years and have been living at 321 Ellis street.

Mr. Somers is a tax expert and prior to last Christmas was employed in a traveling capacity for a Duluth tax concern in Minnesota territory. An injury suffered in one of the mills at Fountain, Minn., caused him to give up this work and he has since been in Stevens Point with his family.

Mr. Somers may do work in his special field with the state department in Oregon. The family decided to remove west to be closer to land holdings which they now own there. Besides the ranch at Tenino, Wash., Mrs. Somers is the owner of property interests in the west. She is a sister of Prof. H. R. Steiner of this city.

Forty Kinds of Boats Used

There are forty different types of boats used at the Stevens Point fair, each of which has a meaning of its own.

NOTICE FOR ADMINISTRATION AND NOTICE TO CREDITORS

State of Wisconsin, County Court, Portage county, in probate.

In re estate of Ferdinand Hirzy, deceased.

News of Portage County

ANGRY BULL CHASES FARMER IN AMHERST THREE RIBS BROKEN

Julius Suthemer Attacked By Mad Animal in Barn—Holstein Is Shot After Owner Is Hurt

(By Special Correspondent)
Amherst, Wis., June 27.—Julius Suthemer had a narrow escape from being seriously injured last Friday while at his barn doing chores. He was attacked by his Holstein bull. The animal had several times previously shown a vicious disposition but Mr. Suthemer had been able to master him.

The chain holding the animal in his stall broke, and the bull rushed at Mr. Suthemer. Although the latter clutched the animal with a heavy oak stick, the bull continued at him and crowded and crushed him against the barn wall. Mr. Suthemer finally succeeded in crawling over an empty stall and making a getaway out of the barn. The bull, however, followed him, tearing the doors off the barn and rushing into the yard. The animal was killed with a bullet by Joe Kurkowski and Harry Worden, who were called to the farm by phone. Mr. Suthemer's injuries consist of three broken ribs, a sprained shoulder and a bruised head side. He considers himself fortunate in not being more seriously hurt.

Chautauqua Now On
The Midland chautauqua is drawing a good crowd afternoons and evenings at their performances here. The company opened on Saturday for a five day engagement.

Sanctimonious
Miss Mina Sandholm and Alvin C. Sandholm were married last Wednesday June 21, at Stevens Point by Rev. C. E. Pizer. Mr. and Mrs. Sandholm are young people of this vicinity and they have the best wishes of the community for a happy married life. They will reside on the groom's farm south of town.

School Reunion.
July 18, 19 and 20 are the dates of the Mad and White reunion. The members of the association are planning to entertain a large crowd on these dates and the meeting of old friends and school mates once more will be quite a social event. Several letters from absent members are received daily, signifying their interest in the meeting.

Amherst Briefs
Dr. and Mrs. C. E. Smith left this day of the week on an auto trip to Fulton, Ind., where they will spend a short time visiting the former's parents, Mr. and Mrs. H. H. Smith.
Mrs. A. H. Fiddle and daughter Irene Tom Gargat, Clara Price and E. Wintz, the latter from Neenah, are camping at Stone Lake, Sawyer county.
Victor Virean is the owner of a new Ford coupe which he purchased recently.
Mrs. Elsie Dougherty and Miss Virginia Dougherty visited with relatives in Milwaukee over Sunday. Their sister, Mrs. Wm. Otten and daughter, who were called here by the death of her brother, James Dougherty, Jr., returned to their home in Milwaukee with them.
Mr. and Mrs. Homer Hicks of Almond spent the week end with relatives in town.
Mr. and Mrs. F. O. Adams returned home from Eau Claire Saturday. They were accompanied by their brother, Mr. and Mrs. C. A. Adams and Mrs. J. A. Weather, who was formerly Maude Adams, who will be guests at the Adams home for a short time.
Mr. and Mrs. L. P. Moberg and family are moving into the F. Allen home on George street.

EAU PLEINE SCENE OF FAMILY REUNION

Forty-Nine Attenburgs Gather At Old Homestead For Sunday Picnic

A reunion of the members of the Attenburg family in Portage county was held Sunday at the old home of Mr. and Mrs. George Attenburg in the town of Eau Pleine. Mr. and Mrs. Attenburg, who now make their home in Stevens Point, spend a few weeks each year at the old home, and were there on Sunday when the reunion of Portage county members of the Attenburg family was held. Forty-eight persons were present. The affair was in the nature of a picnic.

Those present: Mr. and Mrs. George Attenburg, Worth, Ross and John Attenburg, Mr. and Mrs. James Attenburg, Mr. and Mrs. Robert Attenburg and two children; Mr. and Mrs. Frank Attenburg and son; Mr. and Mrs. Harry Calkins and four children; Mr. and Mrs. Charles Attenburg and two children; Mr. and Mrs. Holmes Attenburg and daughter; Miss Attenburg and three children; Mr. and Mrs. Albert Daggett and two children; Mr. and Mrs. Erv Attenburg and two children; Mr. and Mrs. Anthony Frank and Mrs. Erwin Purdy and daughter; Mrs. Barbara Attenburg and son and Mr. and Mrs. Edward Lee.

FOUND NOT GUILTY

Dan Kozickowski and Nick Palbrach, Sharon, were found not guilty of a charge of malicious destruction of a fence belonging to Nick Zarnowski in Sharon after a trial in Justice G. L. Park's court on Monday.

Celebrate the Fourth in Stevens Point

OBITUARY

Killed in Iowa

Ernest E. Bentley, a former resident of the town of Linwood who was a member of the Baptist church of this city while living in that town, received injuries which resulted in his death June 9 at Wheatland, Ia., according to word received here.

He was working for a construction company at Wheatland, and in attempting to board a loaded truck driven by a fellow-employee, was thrown to the ground and his skull fractured by the blow, dying several hours afterward.

He was born in the town of Rome, Adams county, June 29, 1900, being 21 years, 11 months and 11 days of age when he died. Mrs. William Bentley, Sr., his mother, died nine years ago, while his father is now living at Bradley, Wis. Four brothers and three sisters survive, John, William and David of Nemaha, Ia., Rex of Rudolph, Jesse of New Rome, Wis., Ida, Rudolph and Mrs. Walter Harbeck of Hingle, Wis.

The deceased lived in Linwood for several years, attending and being graduated from the Woodville school in 1917. Shortly after his graduation from this school he went to Nemaha, Ia., where he lived with his brothers. He was engaged to Miss Mable Templeton of Wheatland, and their marriage was only a short time off.

The funeral services were held at Wheatland. Those from away who attended were William Bentley, Sr., of Bradley, Mr. and Mrs. William Bentley, Jr., Mr. and Mrs. David Bentley and John Bentley of Nemaha, Ia., Mr. and Mrs. E. J. Cryder and Miss Clara and Mae Cryder of Bennett, Ia., Rev. G. W. Bryant of Cedar Rapids, Ia., conducted the funeral services.

The remains were brought to Wisconsin Rapids for burial. They were accompanied by the father, the brothers and wives, of Nemaha, and Mrs. C. J. Heckard and Miss Mabel Templeton of Wheatland.

Many Attend Funeral

One of the biggest turnouts at a funeral in Stevens Point for several months paid their last respects to the late Mrs. Clements Piotrowski, whose burial took place from St. Peter's church Thursday morning. Every pew in the large edifice was filled and many people were unable to obtain seats. Three masses were offered up simultaneously, Rev. S. A. Elbert officiating at the main altar and Revs. Victor Hoppa and A. Malkowski at the side altars. Forty-two automobiles composed the procession which accompanied the remains to Guardian Angels' cemetery, where interment took place. Mrs. Piotrowski died very unexpectedly last week, leaving her husband and ten children.

Lose Baby Son

Lewis James Grant, aged three months and eight days, son of Mr. and Mrs. Jesse Grant of the town of Plover, died at the family home Thursday afternoon.

Felix Wiczek

Felix Wiczek, aged 20 years and one month and son of Mr. and Mrs. Jacob Wiczek of Stockton, died at his parents' home on Sunday afternoon at 4 o'clock. Within the past several months he suffered with a complication of ailments, including pneumonia, dropsy and jaundice. For a few weeks he was a patient at St. Michael's hospital.

Funeral services were held at Sacred Heart church, Polonia, Tuesday morning at 10 o'clock, conducted by Rev. L. M. Schorn of Custer. Interment was in the parish cemetery.

Edward Pliska Buried

Last rites were said Monday morning for Edward Pliska, who met a tragic death several weeks ago by drowning in a river in northwest Canada, many miles north of Winnipeg and whose remains reached Stevens Point Saturday afternoon. Requiem mass was offered up at St. Stanislaus' church by Rev. J. Machnikowski, chaplain at St. Joseph's academy, assisted by the pastor, Rev. A. Malkowski. Those who served as casket bearers were Francis Knope, Ed. Razer, Jerome Sprella, Joe Lapinski, Theo Kalpinski and Jack Siebert.

Friends who came from a distance were Mr. and Mrs. Fred Bassette, Clara and Henry Green of Rhineland.

Bert Krohn Dead

The remains of Bert Krohn, member of a pioneer family of Almond and son of Mr. and Mrs. Albert Krohn, were laid to rest in an Almond cemetery last week. Among those who attended the funeral from this city were Chas. Lutz and Mr. and Mrs. Henry Thies, Mr. and Mrs. Frank Lutz and daughter, Fern. Motion was represented by Mr. and Mrs. Lester Barden and Henry Lutz.

Mr. Krohn died at Santos, Florida, April 7 following a short illness with typhoid fever, aged 31 years. Members of his family are the widow, two daughters and two sons. He went to Florida last November and bought a tract of farming land but was taken sick a few months after his arrival in the south.

Buried at Plover

Louis James Grant, born March 14, 1922, three months and eight days of age and a son of Mr. and Mrs. Jesse Grant of the town of Plover, died at the family home Thursday evening

at 7 o'clock and was buried in the Plover cemetery Saturday afternoon. Funeral services were conducted at 2 o'clock at the home by Rev. E. Leuenberger. The little boy leaves to mourn his death two sisters and one brother, Grace Marion, Athol and Forest, besides his parents.

GAME WARDEN BUSY MAKES 700 ARRESTS

Arthur Tic Establishes Record in Three Years in Shawano District

Mr. and Mrs. Arthur Tic of Shawano visited local friends on Monday while returning home from a week's stay at Junction City, Milladore, Stacy and other places north of here. Mr. Tic is a state conservation warden and has been located in the Shawano country for the past three years. Violation of the fish and game laws was much more prevalent in that section than in other parts of the state, but as a result of Mr. Tic's activities he made more than seven hundred arrests in Shawano, Oconto and Langlade counties, practically all of those against whom charges were made being convicted. He camped in the woods for seven weeks at one time until he landed his quarry.

ANTIGO SALOON MAN GETS THREE MONTHS

Six Others, All from Milwaukee, Are Sentenced at the Same Time

by Judge Geiger

Milwaukee, Wis., June 26.—Seven men were sentenced to the house of correction and two handed fines by Federal Judge F. A. Geiger here today for violation of the prohibition laws.

They were: Adolph Wolff, three months in the house of correction; J. Litze, 4 months and \$200 fine; Herbert Dankert, four months; Steve Todorkoff, six months; Harry Francisco, \$200 fine; Charles Fuhrer, three months; James Muzzy, three months; Edward Maloney, an Antigo, Wis., saloonkeeper, three months.

All except Maloney are from Milwaukee. All the defendants changed their pleas from not guilty to guilty.

JAFFKE PAID BIG SUM BY SOO LINE

Check for More than \$13,000 Is Turned Over by Road's Attorney

The Soo line has paid a judgment of \$12,500, costs and disbursements in both circuit and supreme courts and interest in the case of Paul A. Jaffke versus that road.

The total amount of the check paid over by W. A. Hayes, state attorney for the road, to counsel for the plaintiff, at Fond du Lac, was \$13,639.64.

The action was started as the result of an accident on the Soo line on Aug. 30, 1920. Jaffke was employed as a fireman and was seriously scalded and burned so that he was partially crippled. The wreck happened near Snell's Corners between Oshkosh and Neenah. J. E. Dollard was killed in the accident.

The case was hard fought in the circuit court and appealed to the supreme court where the verdict of the lower court was sustained. The judgment is one of the largest secured in an accident case of that nature.

CONFINED TO HER BED

Mrs. Clarence Butts of Plainfield Ill Since Friday

(By Special Correspondent)
Plainfield, June 27.—Mrs. Clarence Butts has been confined to her bed by sickness since last Friday.

Personal Items
Mr. and Mrs. Ernie Stevens of Neenah were guests at the Charles Stevens home Sunday.

Charles Ostrander and family went to Wisconsin Rapids Sunday where they spent the day with his uncle, Orin Lord and family.

Mr. and Mrs. Otto Lindner and children and Mrs. O. Matthews spent Sunday in Big Flats visiting relatives at their old home.

Miss Dorothy Willis and her friend, Miss Corrine Jurston, two of the trained nurses in Riverview hospital at Wisconsin Rapids, were guests of Mr. and Mrs. Will Willis, Saturday and Sunday.

Ray Willis, Dean Hutchinson and daughter and Will Jewell and daughter all of Starks, Wis., visited relatives in this vicinity Saturday, and Sunday. Miss Jewell remained at the Roy Cornell home for a more extended visit.

FLIES INVADE GREEN BAY

Green Bay, June 27.—The annual invasion of Green Bay flies is under way. Insects by the millions are sweeping down on the city every night from off the bay. Each morning the fire department clears the streets in the business district with streams of water.

A. N. BERENS RESIGNS FROM BARBER BOARD

John W. Hacker of Kenosha Is Appointed by State Board of Health

Madison, Wis., June 27.—John W. Hacker, Kenosha master barber, was appointed today by the state board of health to the state board of barber examiners to succeed A. N. Berens, Stevens Point, who resigned recently. The next examination for master and journeyman barbers will be held at Milwaukee July 24, 25 and 26. The board of health also announced.

Mr. Berens has been a member of the state board of barber examiners for the past seven years and during that time has been its secretary. Inability to continue to give the time required to the work was given as his reason for resigning.

ONE MORE CARRIER AFTER JULY FIRST

Heavier Volume of Mail at Post Office Makes Addition Necessary

Evidence of the growth of Stevens Point was shown Tuesday in announcement at the postoffice that beginning July 1 one more regular carrier will be employed full time. There are at present nine regular carriers, including a mounted carrier.

It is also announced that post office representatives here will re-district the city, shortening some routes and changing others so that mail deliveries can be handled more equitably, and the new route established.

The mounted carrier at present handles deliveries of mails in outskirts of the city but after July 1, his duties will be confined entirely to delivery of parcel post packages. The mail territory he now serves will be included in routes of the other carriers.

A heavier volume of incoming mails was given as the reason for the addition to the local force, making the services of another carrier necessary.

LUMBERJACKS VICTORS OVER TOMAHAWK, 17-9

Wausau, June 27.—The Wausau Lumberjacks, scoring 17 runs in the first frame, defeated the Tomahawk Independents here Sunday by a score of 17 to 9. Three Tomahawk pitchers were reached for a total of 20 safe hits. Klingbeil and Darrow, pitching for Wausau, allowed 13 hits.

SLAPS \$21,000 FINE ON BREWING COMPANY

Federal Judge Geiger Hands Stiff Jolt to Concern Making Real Beer

Milwaukee, June 27.—Pleading guilty in federal court here today, the E. Klinkert Brewing company of Racine was fined \$21,000 on indictments of 42 counts, charging manufacture and sale of beer of illegal alcoholic content, by Federal Judge F. A. Geiger. The company was fined \$500, on each of 42 counts.

Twelve other violators of federal laws were given prison sentences and one was fined.

Paul Berndt, charged with extracting mail from receptacles under government protection, was sentenced to one year in the house of correction.

BANCROFT 7, RAPIDS 2

Bancroft, June 27.—The Wisconsin Rapids paper mill team was beaten by the Bancroft club Sunday at Bancroft. The score was 7 to 2.

Pub June 28, July 5, 12, 19, 26 Aug 2, 1922 Gwg

STATE OF WISCONSIN, IN CIRCUIT COURT FOR PORTAGE COUNTY

Mary Peterson, Plaintiff, vs. John P. Peterson, Defendant.

Order to Show Cause

On reading and filing the verified petition of the plaintiff, Mary Peterson, in the above entitled action, and on motion of George B. Nelson, attorney for said petitioner and plaintiff, it is ordered, that the above named defendant, John P. Peterson, show cause before me at my chambers in the court house in the city of Stevens Point, in said county, on the 12th day of August, 1922, at ten o'clock in the forenoon, or as soon thereafter as counsel can be heard, why the judgment in the above entitled action heretofore entered on the 3rd day of July, 1915, should not be revised so as to award to the above named plaintiff the sole and absolute ownership of the homestead of the parties described as follows: Lot No. Six and the east half of Lot No. Seven, in block No. thirteen, in Smith, Briggs & Phillips Addition to the city of Stevens Point, Wisconsin.

And let a copy of said petition be served with this order on the defendant at least five days before the time fixed herein for showing cause.

Dated June 17, 1922.

BYRON B. PARK, Judge.
